STATE TEACHERS' MEETING

Promises to be Most Attractive Ever Held by the Association.

Spartanburg, February 29:—The programme for the annual meeting of the State Teachers' Association in Columbia March 16-18 is regarded as one of the most attractive in a number of years. The chief address of the convention will be delivered on the night of the opening session, March 16, at 8:30 o'clock, by Dr Bruce R Payne, president of Peabody College for Teachers, at Nashville, Tenn. The teachers are expecting a treat in this address. The annual address by Henry Nelson Snyder, the president of the association, will also be delivered on Thursday evening. The report of the special committee on the reorganization of the associations will be delivered Thursday evening by Mr R S Rogers, chairman, of Dillon county.

The first session Friday will be given over to a discussion of the next steps in Educational Progress from various view points. Among those who will take part in this discussion will be R T Hallum, Pickens; T C Easterling, Marion; Miss Elizabeth Dickson, Miss Madeline Spigener, Luco Gunter, W H Hand and Dr D M Douglas, president of the Presbyterian college.

Friday afternoon a reception will be tendered the visiting teachers at the University of South Carolina gymnasium.

Friday evening an address will be delivered by Rev Arthur W Dunn, of the United States Bureau of Education. Superintendent of Education Swearingen and Dr D M Ramsey will also deliver addresses.

Saturday will be given over to reports of committees. Attractive programmes have also been arranged by all of the departments.

WHY PRINCE ALBERT WINS.

Patented Process is Responsible for Its International Popularity.

Smokers so much appreciate the flavor and coolness and aroma of Prince Albert pipe and cigarette tobacco that they often marvel that this one brand could be so different from all others.

The answer to this question is to be found on the reverse side of every Prince Albert package, where you will read: "Process Patented July 30, 1907." That tells the whole story. Prince Albert is made by a patented process that cuts out the bite and parch, which makes the tobacco so mighty agreeable and satisfying to men of every taste of every civilized nation on the globe.

Smokers should realize that this patented process cost three years' continuous work and study and a fortune in money to perfect. But the result has proven to be worth all that was expended upon it, because it has set free men who believed they never could enjoy a pipe or a makin's cigarette.

Prince Albert makes it possible for every man to smoke a pipe or to roll his own cigarettes. And, no matter how tender the tongue, Prince Albert cannot bite or parch. That is cut out by the patented process, leaving for the smoker only the joys of the fragrant tobacco.

It is a fact that since Prince Albert "arrived," just about six years ago, it has made three men smoke pipes where one smoked a pipe before!

Colds Need Attention.

Internal throat and chest troubles produce inflammation, irritation, swelling or soreness and unless checked at once, are likely to lead to serious trouble. Caught in time Dr Bell's Pine-Tar-Honey loosens the phlegm and destroys the germs which have settled in the throat or nose. It is soothing and healing. Pine is antiseptic; honey is soothing—both together possess excellent medicinal qualities for fighting cold germs. Insist on Dr Bell's Pine-Tar-Honey. 25c all druggists.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect. LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head. Remember the full name and look for the signature of E. W. GROVE, 25c.

VEXED AT "UNNEUTRAL" AD.

Daniels Warns Editor of His Paper to be Careful.

Washington, February 27:—Whether or not any international complications whatsoever are added upon those already facing the United States by the publication in Secretary of the Navy Daniels's paper, the Raleigh (N C) News and Observer, of an advertisement calling upon Americans to cross the Canadian border and enlist in the American Legion of Honor, there are complications a-plenty in the editorial rooms of the Raleigh News and Observer.

Secretary Daniels yesterday sent over the wires to Raleigh a "call-down" to the managing editor, which said: "I am astounded that you should ever have permitted such a thing to appear. Never let such a thing happen again."

The Secretary yesterday was plainly upset about the advertisement. When the matter was called to the attention of the State department, considerable amusement was aroused. Several Cabinet officers demanded copies, declaring smilingly that they would like to confront Mr Daniels at one of the Cabinet meetings with this "gross violation of neutrality."

THE SOUTH'S OPPORTUNITY.

What this National Prosperity Means to Us.

This country is moving forward in business development at home and abroad as never before in its history.

Marvelous activities mark its great iron and steel interests.

Our exports are record-breaking. Our railroads are becoming heavily overcrowded with traffic.

Our shipyards are scenes of hitherto unknown life and rush.

Our financial powers are becoming world-encircling.

Vast operations in finance are under way.

Wealth is accumulating beyond the dreams of avarice.

Mighty projects for naval expansion and other Government enterprises are being worked out.

Chemistry is creating new sources of wealth.

Scientists and capitalists in co-operation are opening up wonderful avenues for new enterprises.

The country is in danger of being swamped by its prosperity.

In this period of phenomenal advance, with capital available for mighty enterprises; with the whole country turning its thought to the South as the only section which can possibly furnish a sure foundation on which to build "national preparedness," the supreme hour in the life of the South is here.

Upon the people of this section and their work just now will largely depend the destiny of this section.

What are you doing to utilize this unmatched condition?—*Manufacturers' Record.*

N. A. R. Association.

The Charleston branch of the National Allied Relief association, working under the auspices of the Colonial Dames, has been encouraged by voluntary contributions received from various parts of the State to believe that there are many people in South Carolina who would like to contribute to this work.

The officers of the association in Charleston will be only too glad to receive such contributions. The needs are urgent. The money which has been raised thus far has been devoted to purchasing hospital and surgical supplies and comforts for the wounded. Outfits for destitute children have also been forwarded. Three shipments of such supplies have already gone and in addition the association has sent to the American Ambulance hospital in Paris a check for \$150.

This organization, which is supported entirely by voluntary contributions from Americans, has been doing very valuable work in caring for wounded soldiers. It has been faced lately with a threatened shortage of funds, the war having lasted so much longer than was anticipated and the work of the ambulance hospital having been correspondingly heavy.

The Charleston branch of the Allied Relief association will be glad to receive contributions from any person in South Carolina, and checks may be sent to Mrs W H Brawley, 9 Legare street, or Miss R D Bryan, 110 Broad street.

Read label on your paper and see if you owe us anything.

JOHNSONVILLE GRADED SCHOOL

Johnsonville, February 29:—The Woodrow Wilson Literary society held its regular meeting Friday afternoon, 18th inst. The programme consisted of readings, essays, recitations and current events. They were all rendered well.

An extra meeting was held by the society Monday, February 21, in honor of Washington's birthday. The performers entertained the society with interesting songs, essays, readings, recitations, music and current events. The programme was as follows:

Song	First Grade
Essay	Louise Eddy
Dialogue	Six Pupils 5th and 6th Grades
Reading	Chives Prosser
Music	Birdie Eddy
Recitation	Lanice Poston
Reading	Emily Powell
Recitation	Leland Rollins
Recitation	Virginia Dickson
Essay	Winnie Eddy
Song	8d, 4th and 5th Grades
Recitation	Ruth Johnson
Recitation	Birdie Eddy
Reading	Clancy Perry
Recitation	Clara Benson
Recitation	Olene Venters
Reading	Virgil Eddy
Recitation	Alma Johnson
Recitation	Norman Eddy
Reading	Edith Perry
Current Events	Albert May Eddy
Music	Olene Venters

Great interest was taken throughout the exercises. A number of visitors were present and were heartily welcomed, as they will be at any future meeting of the society.

WINNIE EADY, Corresponding Secretary.

BLOOMINGVALE GRADED SCHOOL

Since last month this school has reached an enrollment of 52, the first time it has exceeded 45, and has maintained an average attendance of 33.9. Thus it is qualified as a State rural graded school.

CRYING FOR HELP.

Lots of It in Kingstree, but Bally Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed; Not one more important to health. The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous. There can be no health where there is poisoned blood. Backache is one of the frequent indications of kidney trouble.

It is often the kidneys' cry for help. Heed it. Read what Doan's Kidney Pills have done for overworked kidneys.

Proof of merit in the following statement:

Mrs H J Olsen, grocer, 817 E Evans St, Florence, S C, says: "I had dull pains in my back and loins, and was so sore and stiff that I could hardly get up from bed. I had headaches and dizzy spells, and the kidney secretions were unnatural. I used Doan's Kidney Pills as directed and they relieved me of the trouble."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs Olsen had. Foster-Milburn Co, Props, Buffalo, N Y.

Among the canny Scots some credit must be given the soldier on leaving home who marched up to the altar to learn that the bride had disappeared, turned to the two bridesmaids, offered to flip a coin to see which would have him, and, as someone has said, "got away with it." The "lucky" one now avers that she was an old sweetheart anyway.

To Drive Out Malaria

And Build Up The System Take The Old Standard GROVE'S TASTELESS CHILL TONIC. You know what you are taking, as the formula is printed on every label, showing it is Quinine and Iron in a tasteless form. The Quinine drives out malaria, the Iron builds up the system. 50c
