The Supremacy of Peruna as a Household Remedy 44 Years of Leadership

Returned to His Work.
Mr. Julien Gondeau, Erieville, La., suffered with catarrh of the stomach. He did not know what his trouble was. He was unable to work. Could hardly eat anything. After taking Peruna a short time he is now in perfect health. He says: “I am now doing all my work. I am confident that any one suffering as I was could be cured by Peruna.”

Every Change of Weather.
Mr. E. Arnold, Westery, R. I., contracted a severe cold. The cold settled in his side and produced a condition that was thought to be pleurisy. Every change of weather would bring a return of his trouble. After taking Peruna all his ailments have vanished.

Pain in the Stomach.
Mr. Henry Knack, Box 850, No. 1118 S. Vista Ave., Janesville, Wis., writes: “I wrote you about four weeks ago that I had a pain in my stomach. I followed your advice, and used three bottles of your Peruna, and I am all right now. I am very thankful for your advice and your medicine.”

Three substantial men, heads of families, made efficient once more by Peruna. Three housewives restored to their families. These are only samples of what Peruna is doing every day, everywhere. Surely, this is a splendid work. Anything that conserves family life and makes the home more desirable and comfortable, nourishes the heart root of civilization. Peruna is a great civilizer.

A Housewife Restored.
Mrs. R. W. Copelan, Box 22, Greensboro, Ga., suffered several years with catarrh of the stomach. She was in such poor health she could not attend to her household duties at all. Peruna was recommended by neighbors. She was induced to begin the use of Peruna. She says: “After taking five bottles of Peruna I am happy to say that I am entirely cured. My indignation is entirely gone.”

Once a Chronic Invalid.
Mrs. E. Riker, 533 Grant Ave., East Cedar Falls, Iowa, was once a chronic invalid. Four different doctors had been consulted without avail. She had taken five different medicines that had been recommended, without improvement. Peruna was tried and the good result was prompt and lasting.

Expresses Her Gratitude.
Mrs. Samuel Ruth, 535 Union Ave., Lebanon, Pa., is able to say positively that she has been cured by Peruna. She can scarcely find words to express her gratitude for her recovery. For many years she had been a semi-invalid from chronic catarrh.

McElveen-Dennis.

Bethel church has never been the scene of a more beautiful marriage than that which occurred Wednesday, March 8, 1916, at 3 o'clock, when Mr John W Dennis, Jr, of Kingstree led to its sacred altar Miss Ruth McElveen of Bethel. The church had been decorated with Southern smilax and pot plants. The ceremony was performed under a huge white bell suspended from a white and green arch. The church was filled with a host of friends and relatives.

At 3 o'clock Mrs Bennie Dukes took her place at the organ and as Mendelssohn's wedding march pealed forth the bridal party entered in the following order: Mr Bart Burgess came down the right aisle, while Mr Hardy McElveen entered from the left, taking their places in front of the altar. Then came Miss Nettie Burgess and Mr Robbie Burgess, Miss Essie Epps and Mr Richard Burgess. The bride entered by the right aisle leaning on the arm of her maid of honor, Miss Jessie McElveen, sister of the bride. They were met at the altar by the groom and his best man, Mr Eugene Burgess. The bride never looked so beautiful as she did in her wedding suit of mid-night blue, with accessories to match and carrying a bouquet of altheas and ferns. The maid of honor wore a white silk dress, while the bridesmaids wore white voile dresses.

The ceremony was performed by Rev P S McChesney of Kingstree. Immediately after the ceremony the happy couple left for their home below Kingstree, where they will reside in the future.

The bride is the oldest daughter of Mr and Mrs W H McElveen, and is a charming young lady. She has a large circle of friends and will be missed in this community. She was organist in Bethel church and a teacher in the Sunday-school. The groom is a prosperous farmer of Williamsburg county.

We wish this happy couple much happiness and success in life.

Columbia College News.

The literary societies are preparing for the annual debate between representatives of the junior class, on Saturday evening of commencement. The Wightman society has chosen Misses Ruth Ariail of Lamar and Lucile Stoney of Allendale; the Carlisle, Misses Evelyn Winn and Margaret Williams of Columbia. The query has not yet been decided upon.

On Tuesday evening, February the twenty-second, the Clemson Glee Club gave a creditable and enjoyable concert in the college auditorium. The proceeds were for the benefit of the annual.

Tuesday afternoon the Columbia College Glee Club and annual staff entertained the Clemson Glee Club in the college parlors. All report a very pleasant time.

On Monday evening, February the twenty-eighth, the pupils of the expression department gave a very interesting recital in the chapel. The programme was as follows: Violin ensemble by eight girls; recitations by Misses Darr, Brown, Farrell, McClam and Manning; a violin quartet and “The Kleptomaniac,” a comedy in one act, by all the pupils of the department.

ry and Sam Wilson, Kemper Hill, Julian and Robbie Hanna, Ed and David Brown, Henry Nelson, Reuben and Ralph Snowden, DeTreville, Royster, McCutchen, Clarence Snowden and D E McCutchen. The young ladies were requested to write proposals, and the young men holding the corresponding number answered, some of them rejecting the young ladies for various reasons, and others accepting on the spot. Delicious candy was served.

A number of our people have been sick with grip, but all are now convalescent.

Mrs D E McCutchen entertained the faculty of the school here for the week-end. Among other things they enjoyed a trip to Kingstree in Mr McCutchen's car.

Mr O'Gilvie Rogers has accepted a position as druggist in Spartanburg.

Mrs P D Snowden has been visiting relatives near Cades.

RED WING.

JOHNSONVILLE GRADED SCHOOL

Johnsonville, March 14:—A very interesting programme was rendered by the Woodrow Wilson Literary society Friday, the 10th inst. It consisted of a debate and current events. The query for debate was, Resolved: That scholarships in State colleges should be discontinued. The debaters showed much enthusiasm and study on this subject. Many volunteers stood for both sides, but a few more for the negative and, of course, more points were brought out on that side. We feel very proud of our boys and girls for the great interest they took in this debate.

Miss Rivers, the music teacher, is quite busy at this time getting up solos, duets, trios and quartettes, both instrumental and vocal, for the recital of Misses Birdie Eaddy, Lucile Rollins and Olene Venters, who will graduate in music this year. This recital will be some time in April.

Notes on the Year 1916.

For the first time in several years no days usually observed as legal holidays fall on Sunday this year, as the following list shows:

New year, Saturday; battle of New Orleans, Saturday; Lee's birthday, Wednesday; Lincoln's birthday, Saturday; Washington's birthday, Tuesday; battle of Lexington, Wednesday; Confederate memorial day, Wednesday; Mecklenburg Declaration day, Saturday; National decoration day, Tuesday; Bunker Hill day, Saturday; 4th of July, Tuesday; battle of Baltimore, Tuesday; discovery day, Thursday; battle of Yorktown, Thursday; All Saints, Wednesday; Christmas, Monday.

The superstitious may find comfort in the thought that the 13th of but one month will occur on Friday this year—in October. They will not again be so lucky until 1919. In each year at least one month and not more than three have a Friday, the 13th. In 1914 February, March and November each had an “unlucky day.”

Easter falls on April 23, two days from its latest possible date. It will not again occur on this day till 2000. It fell on April 25 in 1886 and will do so but once during the present century—in 1943. It will not fall on its earliest date, March 22, for several centuries.

CALOMEL DYNAMITES A SLUGGISH LIVER.

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.
