

KINGSTREE HIGH AND GRADED SCHOOL NOTES.

We need the co-operation of the parents in our school work. With this end in view, we desire to call a meeting of the parents and teachers of Kingstree for Tuesday afternoon, March 21, at the school building, for the purpose of organizing a Parents' and Teachers' association. Every parent is especially urged to attend.

State Superintendent of Education J E Swearingen, County Superintendent J G McCullough and Rev D A Phillips were visitors at our school last Thursday.

We shall have holiday Thursday and Friday, as the State Teachers' association meets in Columbia on those dates.

The high school boys' chorus favored us with their first public number in chapel Tuesday.

This school will not enter Field Day contests this year. This decision arises from no feeling of ill will, but from the fact that Kingstree has won for four successive years, and we feel that this measure which we are taking is the only generous one. Our superintendent and teachers, as well as the people of Kingstree, stand ready to do all in their power to make the coming Field Day a success.

The Wee Nee Literary society held its regular meeting last Friday afternoon with Mr Phillips in the chair. The query for debate was, "That all merchantmen should be armed for defensive purposes." The judges rendered their decision in favor of the affirmative.

Rev D A Phillips attended the chapel exercises Monday morning.

Death of Mrs. Mary E. Gale.

Mrs S L Brown received a telegram Tuesday from Easton, Md, announcing the death of her mother, Mrs Mary E Gale, whose serious accident was noted in the last issue of The Record. Mrs Gale was one of nature's noblewomen and was held in the highest regard wherever she was known. She is survived by four daughters and one son, viz: Mesdames S L Brown of Kingstree, R C Douglas of Citra, Fla, W S Grace, Jr, and Wm Reddie and Mr J C Gale of Easton, Md. Two daughters and one son preceded her to the great beyond—Mesdames Jno S Jennings of Kingstree and F J Henry of Sumter and Mr Samuel Gale of Easton. She frequently visited her daughters in Kingstree and made many friends here, who deeply sympathize with the stricken family.

Mrs J A Joyner Dead.

Mrs C R Thomas was summoned to Barnwell county last Thursday by a telegram announcing the death, near Olar, of her sister, Mrs J A Joyner. The dead body of Mrs Joyner was discovered lying across the bed in her room with a shotgun wound through the heart and an empty gun nearby. Notes said to have been left by the deceased lead the Coroner to the belief that the woman came to death by her own hands.

Mrs Joyner was 24 years of age and was married to Mr Joyner about nine years ago. The deceased spent several weeks here with Mrs Thomas last summer.

Home Demonstration Club.

The Home Demonstration club met in the demonstration office Monday afternoon.

The interest manifested by the members of this popular club is very gratifying to Misses Amanda Edwards and Maude Logan, who have spent much time and energy in

the endeavor to make the organization a practical adjunct to the town. Home Sanitation was the subject for study and discussion.

Miss Logan led in the discussion pertaining to, "The Relation of the Home to the Health of the Community." "Prevention Against Mosquitoes," was the principal point, which the speaker endeavored to impress upon the members of the club.

Miss Mamie Jacobs then followed, in a very practical and valuable suggestion, on: "The Eradication of the Mosquito by Means of Fumigation."

The programme was concluded by Miss Edwards' demonstrations, with several labor saving devices for the home. Five new visitors found their way into this instructive and congenial club on this occasion.

THIS SORT OF BANK PAYS NO INTEREST!

SOME folks are still so out of date—or, to put it more frankly, so FOOLISH—as to hide their savings in an old teapot, or an old stocking, or under the carpet, or in some other secret place. They seem to think a bank is MYSTERIOUS or COMPLEX or UNSAFE. This sort of notion is, of course, way BEHIND THE TIMES. Deposits in this bank are SAFE, and they GROW. This bank is under GOVERNMENTAL supervision.
