POULTRY ASSOCIATION.

Movement Made to Organize in Williamsburg.

The organization of a poultry association in Williamsburg county has been talked about for some time, but sociation in Williamsburg county has been talked about for some time, but friend asked me to try Vinol. I did and while Mr C C Cleveland, of Winthrop Normal and Industrial college, was in Kingstree Tuesday in connection with girls' poultry clubs, the proposition assumed a more tangible shape. He was informed by Miss Edwards of the importance of such an organization, and a little later the following persons were enrolled as prospective members:

Miss Amanda Edwards, Rev D A Phillips, Drs C D Jacobs, R C Mc-Cabe, D C Scott and D P Frierson, Messrs T E Arrowsmith, J W Swittenberg, C C Burgess, W N Jacobs, J B Clarkson and W F Tolley.

A number of these met Mr Cleveland at the office of Miss Edwards and are apparently enthusiastic over the prospect of a permanent poultry association in this county.

A meeting of the above named will be held at an early date for the purpose of organizing and electing officers and drafting by-laws and have put on exhibition. And the had a severe case of indigestion and obtained by writing to Dr W B rules. Parent-Teacher Association.

Pursuant to a call of the faculty a meeting of the teachers and patrons of this institution was held at the school auditorium Tuesday afternoon. There was a fair attendance, and great interest was manifested. Prof J W Swittenberg presided and stated that the object of the meeting was to organize a parent-teacher association, which was effected and the following officers

The association designs to bring about the co-operation between parent and teacher that is so essential to the welfare of the pupil, to see that the school is given proper medical attention and promote attendance of scholars. These are most laudable objects, and all parents are urged to join the association. Regular meetings will be held the first Monday in each month, beginning April 3.

of Kingstree High and Graded school After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

> Catron, Ky .- In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

> The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

> At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recom-mend it. Begin taking Cardui today.
