

**With Our Advertisers.**

The Kingstree Dry Goods Co has a change of ad in this paper in re its handsome line of Easter hats.

"Why cry hard times" when you can get plenty of good "pure food" at the Britton & Hutson store?

Don't overlook the new ad of the Steele Furniture Co. It calls to mind many seasonable articles for the home.

If it's a kodak you want, you don't have to go any farther. The Kingstree Drug Co has a fine assortment of the Eastman machines. See ad.

Read the new ad of the Kingstree Furniture Co. They have a nice line of library tables and all kinds of up-to-date furniture and house furnishings.

Wagons galore—1, 2, 3 and 4 horse vehicles, buggies, surreys, harness, saddles, etc. A new lot just received by the Williamsburg Live Stock Co. See ad.

W M Vause & Sons have a new ad in this paper calling special attention to their automobile repair department, under the supervision of Mr Victor Caldwell.

An attractive ad of the Maxwell Motor Car appears in this issue over the name of the local agent, Mr D C Scott, Jr, who will be glad to demonstrate the car to anyone interested.

Messrs McIntosh & Alsbrook have an advertisement in this paper calling attention to their cleaning and pressing department. They have recently installed an expensive Half-man steam pressing machine, which does its work in a manner far superior to the old flat iron method. It is the only machine of its kind in the county and enables the patrons of these gentlemen to secure a class of work that attracts attention. Read their ad.

**Avoid Spring Colds.**

Sudden changes, high winds, shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr King's New Discovery, a pleasant laxative tar syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. It's already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr King's New Discovery. Tested and tried for over 40 years.

**A PLAIN TALK TO VOTERS**

I am a candidate for the office of Sheriff and am very desirous of securing your votes and your active support.

I will not insult your intelligence by handing you a lot of bunk which means nothing and commits me to less than nothing. That is not my way.

But if you vote for me it is my wish that you do so with the assurance that I have no masters other than the people and the laws of the people; that I will have absolutely no personal favorites after election; that I will strive to the utmost to honestly and fearlessly perform the duties of the office; that my only guide in the performance of those duties will be the law as it is enacted by those in power; that the law will apply to all persons alike, rich or poor; that all men will look alike to me while I am in office; that the body politic is the master and that I am its humble servant, obeying its will as expressed by the law relating to the office to which I aspire.

If under these conditions you can conscientiously favor me with your support, then I will be profoundly grateful.

I can offer you no greater reward personally than my gratitude, for officially I can do no more for you than for your neighbor or for any other law-abiding citizen.

But I do want and earnestly solicit your vote and your active support, and I am taking this public method of speaking straight to you over my own signature.

My card appears in this paper in the column allotted to candidates.

Yours very truly,  
adv. W T WILKINS.

**RECIPE FOR GRAY HAIR.**

To half pint of water add 1 oz. Bay Rum, a small box of Barbo Compound, and 1/4 oz. of glycerine. Apply to the hair twice a week until it becomes the desired shade. Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded, gray hair, and removes dandruff. It is excellent for falling hair and will make harsh hair soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off.

## The Proof

**D**ON'T accept claims or opinions. Every man selling an automobile will tell you his car can be run at low cost.

He'll tell you this because he knows and you know that gasoline, oil and tires are costing more and more all the time. He knows and you should know that the operating cost of any automobile during five years' time is worth your careful consideration.

We don't give you any guesswork. We tell you what we know. We state the facts and figures—proved and verified figures. Here they are:

Maxwell World's Non-Stop Record Facts	
Miles without a motor stop.....	32,023
Average miles per day (44 days).....	500.5
Miles per gallon of gasoline.....	21.88
Miles per gallon of oil.....	400
Average miles per tire.....	9,871

Most Maxwell owners get even better results than these but we are just giving the actual figures set when the Maxwell stock touring car broke the World's Motor Non-Stop Record.

When you get your Maxwell you can be sure it will give you economical service—probably far more economical than these figures indicate. But to be sure that you can get your Maxwell, **ORDER NOW.**

If you prefer, make a small deposit and pay the balance as you use the car.
