school, to state that there will be no picnic on Tuesday, April 11, as stated in the programme of exercises elsewhere in this paper.

Local baseball fans have been hustling the past two weeks in an effort to secure a place in the Pee Dee league for Kingstree. In order to do so it was necessary to raise \$1,500. It is gratifying to all interested in this splendid sport that this amount has been practically secured by subscription and at the meeting in Florence last Saturday, Kingstree entered the organization as one of the six teams that will compose the Pee Dee league.

Mr W A Jamieson, Jr, chief engineer of Atlanta and special agent of the Southern Bell Telephone and Telegraph Co, was in Kingstree this week for the purpose of making an inspection of the new phone system now being installed by the local company. He paid the home system a high compliment by saying that the improvements under way are being carried on in a manner that will make the system here equal, if not superior, to any in the vast territory under his supervision.

Mr W F Baldwin, a member of the staff of the Columbia State, spent Tuesday and Wednesday of this week in Kingstree looking over the town and collecting data for a write up which will appear in that paper in the near future. Mr Baldwin is an experienced newspaper man and an able writer. He was very favorably impressed with Kingstree and we feel sure that in his write-up the town will be dealt with in a manner satisfactory to her citizens and in keeping with his impressions.

The evidence before the Coroner's jury was to the effect that Stewart, who had been living with the woman in adultery, had shot her and then turned the gun upon himself. Both parties had been shot in the left eye with a single barrel shot gun. The Coroner's jury was composed of the following gentlemen: S G McDonald, W E Johnson, W B McCullough, Jr, F L Baggett, G C Parsons, and H D Parker.

A SPLENDID SHOWING.
Annual Meeting of Kingstree B. & L. Association.

The Kingstree Building and Loan association held its annual meeting Monday night, at which a majority of the stockholders were represented.

The report of the secretary and treasurer made a splendid showing; two series of stock, representing about 1,000 shares, had been closed up and a third will mature in August or September.

Directors for the ensuing year were elected as follows: A C Hinds, W T Wilkins, M H Jacobs, H O Britton, E C Burgess, W H Carr and H E Montgomery. The directors then elected A C Hinds president; W T Wilkins, vice president; W H Carr, secretary and treasurer. The law firm of Kelley & Hinds was chosen as the association's attorneys.

It was unanimously decided by the directors to open the sixth series of stock April 1, and books of subscription thereto are now open at the office of the secretary and treasurer, Mr W H Carr.

The Kingstree Building and Loan association was organized here in 1905 and has proven to be one of the best organizations ever effected in the town. It has been the means of a vigorous growth in the town, especially in the way of home building, and this building has been of an exceptionally good and substantial class. It has enabled a number of Kingstree citizens to own their homes. To Mr Carr, the present secretary and treasurer, perhaps more than to anyone else, the community is indebted for this splendid organization.

We call attention to the advertisement in this paper, page 8, of McClary Bros Co, whose place of business is located at Gourdin. This firm carries a large line of general merchandise which they are offering at live and let live prices.

Mr Nathan Boyd of Trio, who was employed for some time by Gamble & Jacobs, was a visitor in Kingstree Saturday.

A play entitled "Mr Badger's Up-pers" will be presented at the Indiantown school house Friday night, April 14.

Messrs M F Heller, H H King and Ashton Nelson attended the horse show at Camden last week, making the trip by auto.

BASEBALL LEAGUE ORGANIZED.

Called the Pee Dee-Kingstree a Member Thereof.

At a meeting held in Florence Friday and attended by delegations from Kingstree, Dillon, Bennettsville, Lamar, Bishopville and Florence, the final organization of the Pee Dee League was accomplished, and professional baseball for this section is now assured.

The league is to be known as the Pee Dee League of Baseball Clubs. Mr W R Barringer of Florence was elected president, and Mr C A Easterling of Bennettsville, secretary and treasurer, the directors being the following: F W Fairey, Kingstree; George Stuckey, Bishopville; D W Evans, Bennettsville; L M Jacobs, Dillon; G M Boykin, Lamar, and W J Wilkins, Florence.

The meeting adopted a constitution and by-laws, and upon the name of each town in the league being called, its representative came forward and signed the same, at the same time depositing \$250.00 guarantee money. It was determined that the season should commence on June 12, and continue for sixty games; the season to be divided into two halves of thirty games each. The salary limit was fixed at \$800.00 per month, and the player limit at eleven men, including the manager.

The meeting was thoroughly harmonious in every respect; all of the participants apparently being anxious only for the success of the league as a whole.

Representatives present from outside of Florence were as follows: Dillon, Robert Rickard and L M Jacobs; Kingstree, Philip Stoll, Esq, and Wm R Scott; Bennettsville, D W Evans and C A Easterling; Lamar, G M Boykin; Bishopville, George Stuckey.

IN THE SOCIAL REALM.

Mr. Harper Entertains Kingstree's Younger Set.

The younger set was most pleasantly entertained Friday night by Edwin Harper at the home of his mother on East Main street.

For answering the greatest number of questions correctly in a "dress-maker's contest" Miss Mary McCants and Donald Montgomery were presented with a box of candy as a prize.

Great amusement was afforded the guests when each was requested to tear out a pig from a square of paper. Miss Madge Blakely had the most life-like specimen and for her efforts was awarded a tiny candy pig.

Delicious sherbet and cake were served.

The following were present: Misses Dottie McGill, Serena Lee, Bessie Baker, Bessie Register, Charlotte Winslow, Helen Kennedy, Erlene McIntosh, Rosenell Welch, Mary McCants, Rosa Wilkins, Margaret Gordon, Madge Blakely, Messrs Archie Wilkins, Samuel Burgess, Edgar Baker, Ruskin McConnell, Joe Vause, Eugene King, Heyward Brockinton, Sam John Montgomery, Hillis Phillips, Carlyle Myrick, James Benton, Neal Dufford, Zeno Montgomery, Marion Lesene, Donald Montgomery and Franklin Phillips.

Poultry Association Organized.

A meeting was held in the offices of Miss Amanda Edwards, home demonstration agent, Monday, by those who had previously signified their interest in an organization to be known as the Williamsburg Poultry association, and officers were elected as follows: President, J W Swittenberg; vice president, Dr D P Frier-son; secretary, T E Arrowsmith; treasurer, Miss Amanda Edwards.

It was unanimously agreed that an annual fee of \$1 be charged each member, payable to either the secretary or the treasurer.

The object of this association is to promote the raising of more and better poultry in the county, and every person, man or woman, in Williamsburg who is interested in better poultry should become a member of the organization. It is intended by the members to make a larger and better poultry exhibit at the county fair this fall and in order to do this careful selections from flocks of young birds should be made as early as possible.

The only requirements for membership in the association are residence in Williamsburg county and taking an interest in pure-bred poultry of any kind, no matter what breed. Full information may be obtained from any of the above officers.

Safe Medicine for Children.

"Is it safe?" is the first question to be considered when buying a cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children, as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effective in relieving coughs, colds and croup. Obtainable everywhere.

Consistency

YOU want a motor car that will serve you consistently. You want to know that your car can be relied upon day in and day out. You want high mileage per gallon of gasoline and freedom from repairs and readjustments. And you want these things, not occasionally, but continuously—day after day.

On these qualities the Maxwell has made good. It has proved its worth. When the Maxwell stock touring car set the World's Motor Non-Stop Mileage Record a short time ago it travelled for 44 consecutive days and nights and its performance was consistent.

It went about 500 miles each and every day. It went within a small fraction of 22 miles to every gallon of gasoline. It went the whole distance of 22,000 miles—probably further than you would travel in two years—without any repairs or readjustments. Every one of eight tires (two sets) went just about 9,800 miles and the others finished in good shape. For consistency and reliability this record far excels anything we ever heard of.

You can get a Maxwell, an exact duplicate of the record breaking stock car, on the partial payment plan we have perfected. All you have to do is to make the initial payment, then take the car and pay the balance as you ride. The unusual value of the Maxwell, together with our easy payment plan of purchase, is bound to dispose of our allotment of cars very quickly. Better make your reservation now, delivery later if you prefer.
