LINES FROM LANES.

Closing Entertainment by School - Personal Mention.

Lanes, May 8:—One of the prettiest and most interesting entertainments of its kind ever enjoyed by the people of this community was the closing exercises of the Lanes graded school last Wednesday night. The auditorium was beautifully decorated with ferns and vases of cut flowers, while the acting and easy manner of every pupil in the different scenes and the costumes worn by them did credit to the capable teachers. Much praise is also due Miss Helen Byrd, who presided at the piano. It would be simply impossible to decide which dialogue or tableau brought forth the greatest applause. The crowd was there to see and enjoy and was not disappointed. From Kingstree, Salters and Greelyville many friends came to hear and encourage our little band of faithful boys and girls. A school picnic was held next day at Black river, and all present seemed to enjoy themselves to the utmost.

ANOTHER WOMAN TELLS

How Vinol Made Her Strong

Beallsville, Ohio.—"I wish all nervous, weak, run-down women could have Vinol. I was so run-down, weak and nervous I could not sleep. Everything I ate hurt me, and the medicine I had taken did me no good. I decided to try Vinol, and before long I could eat anything I wanted and could sleep all night. Now I am well and strong, and in better health than I have been for years."
—Mrs. ANNA MILLISON, Beallsville, Ohio.
We guarantee Vinol for all run-down, weak and debilitated conditions.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nineties out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness cured by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
