

Found Simple Remedy that Relieved Child.

Mild Laxative Compound Corrects Stubborn Case of Constipation.

An important duty that devolves on parents is the regulation of their children's bowels. Health in later life depends in large measure on early training and a child should be taught from infancy to regular habits.

When from any cause the bowel becomes congested with stomach waste a mild laxative should be employed to open up the passage gently and carry off the congested mass. A most effective remedy for this purpose is the combination of simple laxative herbs known as Dr Caldwell's Syrup Pepsin. Mrs W D Bulls, of Reed, Okla, used Dr Caldwell's Syrup Pepsin for her baby boy, Harley Buren Bulls, and says "It did him more good than anything we have given him. His bowels are very stubborn about acting, but they act easily every time I give him Dr Caldwell's Syrup Pepsin."

Dr Caldwell's Syrup Pepsin contains no opiate or narcotic drug and

is a splendid remedy for children and older people as well. It has been on the market for more than twenty-five years and is the family standby in thousands of homes. Druggists everywhere sell it for fifty cents a bottle. A trial bottle, free of charge, can be obtained by writing to Dr W B Caldwell, 454 Washington St, Monticello, Ill.
