THE COUNTY RECORD, Kingstree, S. C., June 8, 1916

The County Record. HON J W RAGSDALE KINGSTREE. S. O. THURSDAY, JUNE 8. 1916.

The Record \$1,50.

Readers, do you realize that paper is now worth good money? It has advanced fifty to one hundred per cent since the first of January. If you owe us for your paper and expect to continue taking The Record you had better pay up and renew at once. After September 1, 1916, the price of the paper will be \$1.50 per year. Of course we do not like to advance the price, but there is no other alternative open to us.

It is not necessary for us to call your attention to the fact that about EVERYTHING you have to buy has greatly advanced in price within the past few months. Provisions, dry goods, shoes, clothing, hardware, fertilizer, etc. have soared higher and higher and the end is not yet in sight. So it has been with all materials used in the print shop. Paper has advanced from fifty to one hundred per cent and many of the grades, especially in colors, are no longer obtainable at any price type, rule and ink have also advanced proportionately, and the market is in such a state of chaos today that we do not know what we will have to pay for material tomorrow. All price lists have been withdrawn, and we only know today that we could not quote you 'a lower price tomorrow.

As stated above, the subscription price of The Record will be advanced to \$1.50 the year on September 1 1916. Through the circulation contest now in progress we hape to get our subscription list in good shape, then we expect to keep it in that condition, and the paper will not be mailed to any one who does not pay up promptly. From two to five hundred dollars a year has been lost on subscriptions, through people who have the paper sent them and never pay for it-at the end of a year or two years their names are cut off the list and that's the end of it. With paper and other material at its present high cost we cannot afford to continue this old method, and the person who reads his county paper should pay for it as he pays his grocer or his druggist. There is no better time than right now to pay up your back subscription and renew before the advance in price.

LINA CONGRESSMAN DIS-MISSED BY COURT.

Washington, June 2:-Justice Mccoy, presiding in the district supreme court, today dismissed the rule which was issued by him two weeks ago against Congressman J W court and state what had become of certain notes which some months ago were sent him for collection by against parties in South Carolina.

When the case was taken up the machine people desired to have the case continued, but on motion of Douglas, Ruffin & O'Bear, attorneys ing to bring them to a sense of their for Mr Ragsdale, this was not done, duty and I am now, perforce, obliged and before they had completed read- to use harsher methods. I wish ing their answer to the complaint, Justice McCoy ordered that the case be dismissed.

It was shown that all of the money involved in the case, about \$1,500, had been collected by the sewing machine people and the purpose of their action against Mr Ragsdale I want conviction, for any case not was to get the notes in hand. Mr Ragsdale's answer that they had been unintentionally mislaid or lost was entirely sufficient, hence the dismissal by Justice McCoy.

Today's action is a complete exneration of any carelessness or negligence on the part of Mr Ragsdale, and the fact that the case was dismissed before his attorneys had finished reading their answer indicates that there was no case upon which to bring action against the South Carolina Congressman.

Mr Ragsdale has accepted an invitation to address the Rural Letter Carriers of South Carolina at Columbia, July 3 and 4.

XXX Four convicts escaped from the Orangeburg chaingang last week.

XXX Dr J G McMaster has been reelected health officer of Florence. XXX

The court has declared illegal the Berkeley county to Charleston. XXX

IMPORTANT NOTICE, Births and Deaths Must Be Re-

ported Promptly.

Editor County Record:-

Will you please publish the inclosed letter for the benefit of the public, and especially the doctors and midwives, and oblige

Respectfully, J T FRIERSON.

Mcuzons, June 3, 1916.

The registration for the first four months of this year has fallen far short of the same period in 1915. Ragsdale, ordering him to appear in This should not be, for there can be no valid reason for it. As a matter of fact, after sixteen months of the law the people should be so familiar with its conditions, that the returns the Free Sewing Machine Company for this year should show a decided increase over last.

Heretofore, I have dealt leniently with delinquents, but I find that they do not appreciate the mild means I have employed in endeavoryou to publish widely in your territory that any undertaker or person acting as such, who does not comply with the law or any doctor or midwife who fails to report a birth at tended by them, will be prosecuted. When you report a violation of the law be positive of your facts and be prepared to prove your case in court. proven will injure the law and preent its strict observance.

We have been admitted into the registration area of the United States for 1916. This speaks eloquently for the work done by the registrars for last year, but if we do not keep up to the standard established, we will be dropped and if we fall down on the job the Legislature will rightly think we are not worthy of an appropriation and may repeal the law. As a copy of every certificate will now be sent to Washington, I beg of you to see that all questions thereon are correctly answered.

Please make an extra effort to get a record of all deaths and births not reported for the past four months and send certificates in to this office, and endeavor to send in a complete May report promptly on the tenth of June and greatly oblige,

Yours very truly, JAS A HAYNE, M D, State Registrar. Columbia, S C, June 1, 1916.

F J Watts.

I am forced to sell fine Jewelry at wholesale cost until further notice. I have a fine stock to select from. Come and see my stock and get prices, the goods must be sold for something. There is no one in the State who will sell goods as cheap. recent election annexing a portion of My stock consists of everything that is kept in a Jewelry store. Come early, a dollar saved is a dollar made.

Yours to pleas

TANLAC'S SUCCESS IS DUE TO MERITS.

"Hot Air Will Put Up a Balloon,But It Won't Keep It Up," Says a Noted Advertiser.

TANLAC'S RECORD IS SUPREME.

Should Value Be Lacking, the General Public Long Ago Would Have Lost Faith In Tanlac.

This is an age of advertising, and everyone is familiar with the popular saying, "It pays to advertise. Advertising is a business force. So potent is the charm cast by its spell it has been known to perform marvelous feats and to accomplish phenomenal results.

It cannot be truly said, however, that everyone who advertises succeeds for unless full value underlay the article advertised the advertising would ultimately fall of its own weight. In this connection we must not forget the words of the immortal Lincoln, who said: "You can fool some of the people all the time, you can fool all of the people some of the time, but you cannot fool all of the people all of the time," so if there is not behind every advertisement a dollars and cents value to the article advertised, no amount of advertising will stimulate the sale on such an article beyond a certain point. This applies to every line of business, and the modern business man or firm can only succeed through honest advertising and fair dealing.

One of the most successful advertisers in America today is L T Cooper, the manufacturer of the new medicine, Tanlac. On one occasion Mr Cooper said: "Hot air will put a balloon up, but it won't keep it there." When J offered Tanlac to the world something over a year ago, I did so with the firm conviction that I was offering to the people the best and purest product of of its kind on the American market today, and I did not hesitate to expend vast sums for advertising, because I knew the more the people knew about it the more they would primary. buv it.

The success of the preparation was immediate, and the people everywhere were quick to recognize its genuine merit and wonderful curative powers. I have never claimed ty Treasurer of Williamsburg county, Tanlac to be a "cure all" or that it would perform unheard of wonders,

a straight-forward and businesslike way, and in a manner that has commanded confidence in the conservative claims set forth.

Underlying these claims has been real value, not from a dollars and cents point alone, but from health as well. The phenomenal success the preparation has now achieved is familiar to everyone. No matter where you go Tanlac is a household **Candidates Cards.**

For Supervisor.

I hereby announce myself a candidate for the office of Supervisor of Williamsburg county, subject to the rules of Democratic primary.

J N HAMMET.

For Congress. I hereby annunce myself a candidate for Congress from the Sixth Congressional district, subject to the rules of
