The patient is believed to be getting along well.

Democratic club books are now open and will remain open till July 25. Each voter is required to appear in person for enrollment. Be sure you get your name on the roll of your nearest club before the enrollment books close July 25. Attend to this duty at once. The law requires that a new club roll shall be made out every two years, therefore don't fail to get your name on the roll if you expect to vote at the next State and Federal election. All previous rolls are obsolete. The books of the Kingstree club are in charge of Mr J D Britton at the Clerk's office.

The Record man thought he was doing wonders when he gathered nice ripe, well-matured tomatoes out of his garden Monday morning until he ran into his esteemed neighbor, Prof Swittenberg, and learned that he had been gathering this succulent vegetable from his own garden for the past week. That wasn't so bad! But when the gentleman informed us that he had, that very day, eaten delicious cantaloupes from his own vines, we simply felt that we were not in the gardening game at all, for our cantaloupes are just "dropping the blossom."

We have a limited quantity of Tobacco Flues that we are selling at old prices, notwithstanding the advance in price of material. See us now. 6-1-tf

Remedy Prescribed by Many Doctors.

Compound of Simple Laxative Herbs Proves Most Efficient.

Dr W A Evans, writing for the Chicago Tribune, makes the assertion that practically everyone, at some time or other, suffers from constipation. This applies regardless of age or condition in life.

The congestion of stomach waste in the bowels is evidenced in various ways; bloat, eructation of foul stomach gases, sick headache, languor, all indicate constipation, and call for prompt attention, not only to relieve the present discomfort but also to avoid possible disease that follows neglect of this important function.

Harsh cathartics and violent purgatives should not be employed, as these afford only temporary relief, while they serve to shock the entire system. A mild laxative such as Dr Caldwell's Syrup Pepsin is far preferable and is now the remedy generally used and prescribed by many doctors. It is free from opiate or narcotic drugs, acts easily and pleasantly, without griping or other pain and is a safe, effective family remedy.

MR. CHAS. SCHELL.

Mr Chas Schell, 132 Church St, Grenada, Miss, writes that he found relief himself by using Dr Caldwell's Syrup Pepsin and now keeps it on hand for family use. A bottle of Dr Caldwell's Syrup Pepsin should have a place in every family medicine chest. A trial bottle obtainable, free of charge, by writing to Dr W B Caldwell, 454 Washington St, Monticello, Illinois.
