Gorrell's Warehouse

For the Sale of Leaf Tobacco

ATTENTION, TOBACCO GROWERS:

We wish to say to the farmers of Williamsburg and adjoining counties that we have leased the Gorrell Warehouse this year for the Sale of Leaf Tobacco. We have made a life-time study of the Tobacco Warehouse business and we come before you prepared to see your tobacco sell for the highest dollar. We are pleased to tell you that the outlook for good prices this year is very encouraging. The demand for our tobaccos grows greater each year. They have grown in public favor at home and abroad. The foreign order business is the largest in the history of our market and our home manufacturers want more tobacco than ever. It is a recognized fact that Gorrell's Warehouse will be headquarters for big prices, having received the first load of tobacco that came to the Kingstree Market this year. With experienced men to see that the buyers go their full limit on every pile we justly claim to be "top notchers" in selling tobacco for the most money. Our opening sale will be announced later. You will find Gorrell's Warehouse situated near Vause's Shop and it is the best lighted and best arranged house in Kingstree. We want to sell your tobacco and we know you will make no mistake by driving straight to Gorrell's, the Home of High Prices. Thanking you for any favors you will show us and hoping to see you this year, we are.

Your friends,

WATTS, LEA & POWELL, Proprietors.

P. S.—If you have cured any tobacco and it is in your way, just bring it along and Gorrell's Warehouse will take care of it for you until opening day.
