

## HUGHES TO RESUME PRACTICE OF LAW.

### REPUBLICAN CANDIDATE FOR PRESIDENCY WILL GO BACK TO THE BAR.

Lakewood, N J, November 27:—Charles E Hughes announced here tonight that on January 1 he would resume the practice of law as a member of the New York law firm of Rounds, Schurman & Dwight, 96 Broadway. His son, Charles E Hughes, Jr, also will enter the firm, it was stated.

In 1906 when Mr Hughes was nominated for Governor of New York he was a member of the same law firm, but its title at that time was Hughes, Rounds & Schurman. With Mr Hughes again in the firm, its new name, it was announced, will be Hughes, Rounds, Schurman & Dwight.

Associated with Mr Hughes and his son will be Arthur C Rounds, George W Schurman, Richard E Dwight, Walter F Carter, Raymond M Lowes, Martin J Keogh, Jr, Augustus L Richards and Harvey L Stowell.

### ADVICE TO ORCHARDMEN.

#### Some Good Rules For Buying Fruit Trees.

In purchasing trees deal only with reputable nurserymen, and eliminate the tree peddler as far as possible. Choose those varieties that are best suited to your local conditions. Order the stock early, and have it shipped when the ground is prepared and you are ready to plant. As a rule, it makes very little difference when the trees are put out, provided they are properly handled and well matured stock is secured. When trees arrive, don't leave them in the express office for any length of time. Remove and heel-in if you are not prepared to put them out. If, on the other hand, the trees have dried out, bury in moist soil or submerge in water.

In ordering trees, demand that one-year-old stock be sent, and accept no "just as good" varieties. This is especially true in regard to peaches, apples, and plums. Trees two years old and older have had their heads formed in the nursery row, and they are more difficult to transplant. The common notion that fruit will be secured quicker has been exploded, and it is common knowledge that one-year-old stock gives the most satisfactory results.

First-class nursery stock should be free from disease and insect pests, should possess a well developed root system, and should be straight and comely, and should come true to name. Accept only budded or grafted trees. Fruits will not come true from seed, hence the necessity of grafting all standard varieties.

Varieties are numerous, and no set of varieties will do well under varying conditions. Therefore, it is well for those contemplating the setting of a new orchard to find out just what varieties are suited to the conditions at hand and order these. Novelties may be tried out on a small scale, before hand and order these.—*The Progressive Farmer.*

### Notice To The Public.

I am now running grits and meal mill, ear corn crusher and rice huller. W D BRYAN, Bryan, S. C.

The people that we come in contact with during our every day lives influence our thought to a greater extent than most people are willing to admit.

### Now Lookout.

When a cold hangs on, as often happens, or when you have hardly gotten over one cold before you contract another, lookout, for you are liable to contract some very serious disease. This succession of colds weakens the system and lowers the vitality, so that you are much more liable to contract chronic catarrh, pneumonia or consumption. Cure your cold while you can. Chamberlain's Cough Remedy has a great reputation. It is relied upon by thousands of people and never disappoints them. Try it. It only costs a quarter. Obtainable everywhere.

### KINGSTREE HIGH AND GRADED SCHOOL NOTES.

The girls' basketball team of the high school played the Florence team Saturday. They were defeated, but not discouraged, and are preparing to play Summerton Wednesday.

School was held Saturday in order to give the Friday after Thanksgiving as holiday.

The school children enjoyed the Chautauqua last week very much.

There was a mistake in the fifth grade honor roll last week, and the eighth grade was unintentionally omitted. The honor roll of the two grades follow:

Grade V.	
Ola Dubose	97
Daisy McIntosh	94
Mary Sue Harrington	94
Anna Laura Singleton	93
Grade VIII.	
Nora Kinder	98
Madeline McCants	97
Maude Allene Kinder	92

### Hughes Congratulates Wilson.

Charles E Hughes, Republican candidate for President in the recent election, has sent President Wilson the following telegram:

"Because of the closeness of the vote I have awaited the official count in California and now that it has been virtually completed permit me to extend to you my congratulations upon your re-election. I desire also to express my wishes for a successful administration."

### Forget Your Aches.

Stiff knees, aching limbs, lame back make life a burden. If you suffer from rheumatism, gout, lumbago, neuralgia, get a bottle of Sloan's Liniment, the universal remedy for pain. Easy to apply; it penetrates without rubbing and soothes the tender flesh. Cleaner and more effective than musky ointments or poultices. For strains or sprains, sore muscles or wrenched ligaments resulting from strenuous exercise, Sloan's Liniment gives quick relief. Keep it on hand for emergencies. At your druggist's, 25c.

Concealment in love may be prudence and not deceit.

### Clear Bad Skin from Within.

Pimples, muddy complexions are due to impurities in the blood. Clear up the skin by taking Dr King's New Life Pills. Their mild laxative qualities remove the poisons from the system and brighten the eye. A full, free, non-gripping bowel movement in the morning is the reward of a dose of Dr King's New Life Pills the night before. At your druggist's, 25c.
