

## Help Nature Do It

Don't you see how she is working to get rid of your colds and catarrh? The effort continues all the time, but in hot weather you catch a fresh cold every day or so, add to the catarrh in your system, and soon it is chronic—systemic. Your digestion suffers, you have trouble with stomach and bowels. Get at the real disease. Clear up catarrh, and the other troubles will disappear.

### MRS. SLACK'S LETTER

To Mothers of Delicate Children

Palmyra, Pa.—"My little girl had a chronic cough and was so thin you could count her ribs, and she had no appetite. Nothing we gave her seemed to help her, until one day Mrs. Neibert asked me to try Vinol, and now she is hungry all the time, her cough is gone, she is stouter and has a more healthy color. I wish every mother who has a delicate child would try Vinol."—Mrs. ALFRED SLACK. We guarantee Vinol, our non-secret tonic, to make delicate children healthy and strong.

### CRYING FOR HELP.

Lots of It in Kingstree, But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed.

Not one more important to health. The kidneys are the filterers of the blood.

When they fail the blood becomes foul and poisonous. There can be no health where there is poisoned blood.

Backache is one of the frequent indications of kidney trouble.

It is often the kidneys' cry for help. Heed it.

Read what Doan's Kidney Pills have done for overworked kidneys.
