Danger Signal.

If the fire bell should ring would you run and stop it or go and help to put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should not more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of grip. Mrs Thomas Beeching, Andrews, Ind, writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere.

Nervous Women.

When the nervousness is caused by constipation, as is often the case, you will get quick relief by taking Chamberlain's Tablets. These tablets also improve the digestion. Obtainable everywhere.

Vinol Restored Her Strength

Canton, Miss.—"I am 75 years old and became very weak and feeble from the effects of La Grippe, but Vinol has done me a world of good. It has cured my cough, built up my strength so I feel active and well again."—Mrs. LIZZIE BALDWIN, Canton, Miss.

Vinol is a constitutional remedy which aids digestion, enriches the blood and creates strength. Unequaled for chronic coughs, colds or bronchitis. Your money back if it fails.

Battle Cry of Peace.

Pacifists who shout against increasing the army and navy for national defence receive a body blow in "The Battle Cry of Peace," the film spectacle which is to be shown at the Uwana Theatre. In vivid pictures and through sub-titles those who de cry war preparedness are brought face to face with the disaster that might ensue should a powerful foreign nation invade our shores in our present military state.

No attempt has been made by J Stuart Blackton, author of the play, to deal with his subject with kid gloves. Blunt, unvarnished and grim facts were set forth by Mr Blackton and Capt Jack Crawford.

Jewelry Headquarters!
