Relieves Serious Case of Chronic Constipation.

Dr Caldwell's Syrup Pepsin Corrects Condition That Seemed Hopeless.

After suffering from chronic constipation until she was so run down she was unable to do any kind of work, Miss H A Frees, 209 Adams St, Dayton, Ohio, obtained a bottle of Dr Caldwell's Syrup Pepsin and used it with such gratifying results that she then continued the treatment and has written to Dr Caldwell that her condition is again normal, and that she wants to recommend Syrup Pepsin to everyone who suffers with constipation.

Dr Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, gentle in its action, free from gripping or other pain or discomfort. It contains no opiate or narcotic drug, and, while acting readily on the most stubborn case of inactive bowels, is absolutely safe for the tiniest babe, so that it is the ideal family laxative and should be kept on hand in every household for use when needed.

Dr Caldwell's Syrup Pepsin costs only fifty cents a bottle and is sold in drug stores everywhere. To avoid

imitations and ineffective substitutes be sure you get Dr Caldwell's Syrup Pepsin. See that a facsimile of Dr Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed.

A trial bottle, free of charge, can be obtained by writing to Dr W B Caldwell, 455 Washington St, Monticello, Illinois.
