AS GIVEN BELOW:

Bargains Galore For Everybody

An unusual opportunity, enabling the public to buy goods at prices much lower than their real value. We have an immense stock, consisting of many thousands of dollars worth of merchandise. The goods must be disposed of regardless of cost, value or former selling price. I will not carry them over. Therefore, this is a great opportunity for you. Why say more? The season this year has been remarkably slow, the short crops have curtailed the sale of merchandise in this section. I was not prepared for it. I have bought more than I can possibly sell.
