

Let Germany Have Her Monopoly.

The attacks by the British with aeroplanes on the German city of Freiburg were justified by the law of military retribution, on account of infamous and barbarous attacks by German submarines on British hospital ships, but the protest of the Archbishop of Canterbury, head of the English church, against them in the British House of Lords is nevertheless gratifying.

We believe that it is the wish of the American people that the imperial German government shall have a monopoly of cruelty and barbarism in the present conflict. As our country faces it, the thought that no American has thought to degrade himself or his people by the utterance of a "song of hate" has its consolation. No American wishes harm, for harm's sake, to any German, and while our people are human, while their passions may be and perhaps will be fired against Germany as the war is prolonged, they are far from indulgence in bitterness now. It is pleasant to know that the people who are our allies are not moved by vengeance, and we delight to reflect that when the British churchman expressed the hope that Great Britain might refrain from reprisals, though excusable under the customs of war, his expression was characteristic of the British race and of the ideals that it holds.

It should be the purpose of Americans, Frenchmen, Italians, Japanese, Britons and Russians not only to compel the German government to obey the laws of nations but to see that it does not drag them down to the acceptance of its practices. Let us hope that William II and his agents, lost though they be to the conventional restraints of honor and decency in war, shall not succeed in making brutes even temporarily of those who battle, not for emperors, but for humanity.—*The State.*

The speed of fighting airplanes has been doubled during the war, while the ascending power of the airplanes has been multiplied ten times. The progress in aviation provoked by the needs of the national defense has given rise to speculation as to what advantages may be derived from it after peace has been restored. The Most Beautiful Car in America

YOU may be one of the thousands of people who have planned to buy a Paige Linwood "Six-39" this spring. If so, let us suggest that you place your order immediately.

There is a tremendous demand for these beautiful five-passenger models. Orders are pouring into the factory from all sections of the country, and it is a foregone conclusion that our "Linwood" production will fall far short of the demand.

Then, also, remember that the cost of manufacturing materials is steadily advancing. Each day it becomes more difficult—and consequently more expensive—to secure the steel, aluminum, copper and brass that are found in a car like the "Linwood."

Right now, you can buy one of these cars for \$1175. If you delay the matter too long, you may have to pay considerably more. Or, as we said in the beginning, it may be impossible to secure early delivery on a Linwood at any price.

Why Suffer?

Mrs. J. A. Cox, of Alderson, W. Va., writes: "My daughter... suffered terribly. She could not turn in bed... the doctors gave her up, and we brought her home to die. She had suffered so much at... time. Having heard of Cardui, we got it for her."

CARDUI

The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at... Cardui cured her, and we sing its praises everywhere. We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too. Try Cardui. WHAT IS LAX-FOS

LAX-FOS IS AN IMPROVED CASCARA
A DIGESTIVE LAXATIVE
CATHARTIC AND LIVER TONIC

LAX-FOS is not a Secret or Patent Medicine but is composed of the following old-fashioned roots and herbs:

- CASCARA BARK
- BLUE FLAG ROOT
- RHUBARB ROOT
- BLACK ROOT
- MAY APPLE ROOT
- SENA LEAVES
- AND PEPSIN

In LAX-FOS the CASCARA is improved by the addition of these digestive ingredients making it better than ordinary CASCARA, and thus the combination acts not only as a stimulating laxative and cathartic but also as a digestive and liver tonic. Syrup laxatives are weak, but LAX-FOS combines strength with palatable, aromatic taste and does not gripe or disturb the stomach. One bottle will prove LAX-FOS is invaluable for Constipation, Indigestion or Torpid Liver. Price 50c.
