## ALMOST LIKE MIRACLE WAY TANLAC WORKED

MRS EVANS SAYS THOSE TERRIBLE SPELLS HAVE BEEN RELIEVED.

### SUFFERED 12 YEARS.

The Very First Dose of Tanlac Made Slight Change for the Better—Is Unusual Statement.

After suffering twelve years, the last several months of which was so severe she believed herself on the verge of the grave, Mrs Ella Evans, of Iva, S C, R F D 4, in June, 1916, had obtained so much relief from Tanlac that "it seemed almost like a miracle the way Tanlac worked," according to her description. Mrs Evans gave the following statement regarding the benefit Tanlac gave her:

"I suffered from a very bad case of stomach trouble for twelve years before I began taking Tanlac, and it seemed that no medicine would break up my trouble. I frequently would have terrible spells when my heart, nerves and stomach would all get out of order at the same time. I suffered terrible pain then. I had begun to fear I'd never be well again.

"At night I could not sleep well and I was so weak I could hardly be up. Really it seemed that my whole system was out of order in every way and I got no better, though I had the best medical attention.

"Some of my relatives persuaded me to take Tanlac. I have just finished my first bottle and just a short time ago I ordered the second. I am a great deal stronger now in every way and I've not had one of those terrible spells since I started taking Tanlac. My heart, nerves, stomach, liver and bowels have been regulated by the Tanlac. I have a good appetite, too, now.

"The very first dose of Tanlac made a slight change for the better and in my case it seemed almost like a miracle the way Tanlac worked. In every way Tanlac has made my health better and I am so happy, for I believe I'm on the road to recovery. I sure will continue to take Tanlac, for it certainly is wonderful."

Tanlac, the master medicine, is

sold by Kingstree Drug Co., Kingstree; Mallard Lumber Co., Greeleyville; Farmers' Drug Co., Henningway; S S Aronson, Lane; R P Hinnant, Suttons; W D Bryan, Bryan.

# Make Your Dollars Count

By Taking Advantage of Our New Profit-Sharing System

Valuable Coupons Given with Every Purchase Made in Our Dry Goods Department.

By giving profit-sharing coupons and certificates we expect to increase our business without increasing our overhead expenses. Therefore the premiums we give you have nothing to do with the price of our goods, for we have not advanced our prices and will continue to give you one hundred cents worth of merchandise for every dollar you spend with us, in addition to profit-sharing coupons and certificates that are redeemable at our store for any article illustrated or listed in our catalogue.

Naturally it would be impossible for us to carry in stock all premiums listed in our catalogue, but if we fail to have on hand the premium you want, we have made arrangements whereby we can secure the desired article for you on short notice, and those saving our profit-sharing certificates do not have to pay transportation charges.

We solicit and aim to merit your valued trade with the understanding that in return you get full value for your money. Consequently, save your coupons and certificates. The more you buy of us, the more you get back in valuable premiums. Do not leave our store without securing coupons or certificates equivalent in value to your purchase. If our salesman fails to give them to you, ask for them—they belong to you as much as your change.

Allow us to help furnish your home, and supply you with the most useful articles obtainable, without additional cost to you, and thus make every dollar you spend go as far as possible.
