**Mrs Duckworth Very Glad to Recommend Tanlac for Troubles Like She Had.**

"Tanlac proved a fine stomach medicine for me, and I have told quite a few people who complained of stomach trouble to take it," said Mrs N D Duckworth, of Pelzer, S C, in a statement endorsing Tanlac. "I suffered from indigestion for many years—really ever since I was a child—and I could not eat a general diet, but I had to be very careful of what I did eat. I really never did get hungry, either.

"The Tanlac certainly did help my indigestion and soon had gotten my stomach in a great deal better condition, so that I ate more and soon I was getting hungry. It made a quick improvement in my condition, too. I am glad to recommend Tanlac for troubles like those I took Tanlac for."

Tanlac, the master medicine, is sold by Kingstree Drug Co, Kingstree; Mallard Lumber Co, Greelyville; Farmers' Drug Co, Hemingway; S S Aronson, Lane; R P Hinnant, Suttons; W D Bryan, Bryan.

**Facts About The Southeastern:**

It is the largest in the State. It keeps its money in South Carolina. It is the leading South Carolina life insurance company. It is the oldest old-line life insurance company in the State. It pays its death losses promptly, usually being the first. The business in force amounts to over ELEVEN MILLION DOLLARS.

The assets of the Company now amount to THREE-QUARTERS OF A MILLION DOLLARS.

In the first quarter of 1917 the Southeastern wrote just twice as much business as it wrote in the first quarter of 1917.

In 1916 it paid for more business, including Group Insurance, than any other company writing only ordinary insurance in the State.

It has more business in force than the following well known companies had at the same age:
