Cabbage Snake

The cabbage snake is a slender, yellowish or whitish worm, several inches long and not thicker than the average sewing needle. It is sometimes found in heads of cabbage.

They are not snakes but round worms, says Prof. A. F. Conradi, Entomologist. They belong to the group known as horse-hair snakes, though nothing alive has ever developed from a horse hair.

These so-called "cabbage snakes" are parasites or insects, and escape from grasshoppers, or crickets on cabbage. This accounts for their occurrence on cabbage; and when escaping from the bodies of fruit worms (codling moth larvae) in apples, then they are called "cabbage snakes" in apples.

They are perfectly harmless. When you see one you can throw it out, but when you do not see it you need not let it worry you.

Of some smokers it can be said that more they fume the less they fret.

Why Suffer?

Mrs. J. A. Cox, of Alderson, W. Va., writes: "My daughter . . . suffered terribly. She could not turn in bed . . . the doctors gave her up, and we brought her home to die. She had suffered so much at . . . time. Having heard of Cardui, we got it for her."

CARDUI

The Woman's Tonic

"In a few days, she began to improve," Mrs. Cox continues, "and had no trouble at . . . Cardui cured her, and we sing its praises everywhere." We receive many thousands of similar letters every year, telling of the good Cardui has done for women who suffer from complaints so common to their sex. It should do you good, too. Try Cardui. E-77

House Cleaning Time!

With the advent of summer the good house keeper turns her thoughts to house cleaning, renovating the home from front porch to back, floor by floor and room by room.

New Shades will be required, perhaps a new Porch Rocker, or one of the many useful, helpful articles to be found in our large and varied stock of household articles. Toilet Sets, or Pitchers, Floor Rugs and Mattings especially designed for summer comfort, Reed and Fibre Rockers, Washstands, Dressers, Pictures, Etc.

Next time you are down town, stop at the store, and we will show how easy you can make your furniture new-bright, at a very small cost. 10c finishes a chair, 30c a table, 90c the floor of a fair-sized room, etc. You can do the work yourself with

Pitcairn Sole-Proof Colored Varnishes

Come in 14 colors, including transparent and natural wood colors. No mixing to do—right shades for all kinds of wood—gives a brilliant glossy finish, or can be rubbed dull. With Sole-Proof graining set you can finish anything in imitation of expensive woods. Pitcairn Sole-Proof varnishes make things look new, and wear longer. Can be used on chairs, tables, stools, woodwork, bedsteads, radiators, picture frames, bric-a-brac, linoleum and home articles of every description. Stop in the store next time you are down town.

For Old Furniture and Commonplace Woodwork Try a Can of **PITCAIRN SOLE-PROOF VARNISH.**

Transform it into something new with the Richness of Walnut or Mahogany. It will help you in giving your home a clean, new freshness that nothing else will.
