Rev. C. C. BROWN, Editor.

The Beauty of Holiness.

"The beauty of holiness" is an expression found several times in the Old Testament. It is thought that the idea originated in the beautiful dress peculiar we do not sympathize.

according to the laws of harmony. Anything is beautiful which, by our sense the beauty of nature-that is, of symspeak of "the beauty of holiness." And

ness as a principle must be beautiful as following the girl's death, the poem apit is the heart of true religion. It is peared in print for the first time dependent upon no time, place, order. When the paper containing the poem form nor vestment. As a principle by came out on Sunday morning, the body itself it is beautiful.

Passing on from the ideal conception, Reed, one of the first of American poets, we may safely say that practical boliness was soon directed to the newly publishis beautiful. What symmetry it gives ed lines, who was so taken with the to life and character! It should be no stirring pathos, that he immediately wonder that some have been willing to followed the corpse to its final resting worship saints who were devoutly holy. place. It makes one worthy of love and almost her whose "Beautiful Snow" will be worthy of worship.

And that holiness which cultivates gems of American literature. devotion to man and God, devotion to a Oh! the snow! the beautiful snow, good cause-yea, even to a bad one at Filling the sky and earth below, times-is of itself beautiful. The proph- Over the heads of the people you meet; et Daniel and the Apostle Paul live today as the embodiments of devotion to Trying to kiss a fair lady's cheek, principle, and the world admires them Clinging to lips in frolicsome freak for it. Just as all lesser fires fade before Pure as an angel, gentle as love! the sun, so do all lesser motives die be- Oh! the snow, the beautiful snow, fore the principles of devetion begetten | How the flakes gather and laugh as they go, Whirling about in maddening fun;

Ya holy life.

Chasing—Laughing—Harrying by
It lights on the face, and it sparkles the eye;
And the dogs with a bark and a bound exercise of faith. When the sculptor Scap at the crystals as they eddy around; desires to impress us with the sense of The town is alive, and its heart in a glow, the beautiful he carves from the stone a lifew wild the crowd goes swaying along, maiden with upturned face waiting for Hailing each other with humor and song; the Lord. After Abraham has been dead these thousands of years, we yet love to read of his life, and all because Snow so pure when it falls from the sky, he had faith in God that was beautiful. As to make one regret to see it lie From how many bedsides have persons turned away, saying, "I have witnessed Till it blends with the filth in the horrible a beautiful faith ?"

These thoughts lead us to ask a ques- | Fell, like the snow-flakes, from heaven to hell; tion: What is holiness—the beautiful fell to be trampled as filth on the street, thing of which we speak? We may readily answer what it is not. It is not Selling my soul to whoever would buy; Dealing in shame for a morsel of bread, a ritual or a conventional sanctity. It | Hating the living and fearing the dead, is not to seem to be wrapt in unearthly Merciful God have I fallen so low? contemplation. It is not to retire in enced was fair as the leautiful snow, solitude and to seek in seclusion the Wife on eye like a crystal, a heart like its graces acquired in active life. It is not rto be clad in white garments or a sur- Flattered, and sought for the charms of my pliced band at Easter. It is not to interlard our conversation with religious God and myself I have lost by my fall; phrases. It is not to invest our family Will make a wide sweep lest I wander too or social circle with the solemnity of a

What then is holiness? It is free--dom from external sin-from intentional How strange it should be that this beautiful and overt deeds of evil. Therefore we Should fall on a sinner with nowhere to go! can only be relatively holy in this life, How-strange it should be when the night and absolutely holy in the life to come. If the snow and the ice struck my desperate We should strive to make the relative degree an exalted degree. A holy life Too wicked for prayer, too weak for a moan, has a moral power of suasion, surpassing To be heard in the streets of the crazy town, the orator's genius. The silent beauty To be and to die in terrible woe, of holiness can speak for God louder than the angels. Christianity owes more to the moral beauty and power of Sim er, despair not! Christ stoopeth low Christ's life than it does to his miracles : To rescue the soul that is lost in sin, for after men have explained away (?) his miracles, they cannot explain away The Crucified hung on the carsed tree!

his character. Holiness is truth embodied. It is the Gospel burning in the heart, beaming O God! in the stream that for sinners did in the eye, breathing from the lip and preaching in the life of its votaries. We can then see the weight of that

saying, "Be ve holy as I am holy."

Painlessness of Dying. One of the most common notions is that pain and dying are inseparable alone. The world is not all sunshine As a Dressing for Ladies' Hair companions. The truth is, they rarely to anybody. We love the fresh, light- The Vigor is incomparable. It is colorgo together. Occasionally the act of hearted laugh of a child Why not less, contains neither oil nor dye, and will dissolution is a painful one, but this is keep it curselves in after years. We not soil white cambric. It imparts an a rare exception to the general rule. love the hope and faith of children, agreeable and lasting perfume, and as an The rule is that unconsciousness. not Are we any better off if we have allow- article for the toilet it is economical and pain, attends the final act.
