Southern Cultivator for March.

The March number of this standard Agri-

cultural journal has come to hand, filled as

usual, with varied and interesting miscel-

farmers and render it invaluable to them.

Mr. David Dickson's series of contributions

is begun in this number. His portrait and

a sketch of his career as a farmer, are pub-

lished. All our farmers should be readers of

this paper, for to them it is a vehicle of in-

formation and instruction that is unrivalled North on South.

Mr. Dickson's contributions will run

through twelve numbers of the Cultivator,

and will doubtless, prove of value to the

thousands of our Southern planters, but cap-

daughters dress as well and as becomingly as

The Prize Drill of the Sumter Light Infan-

ber of the Methodist Church.

Gentlemen : Is it right, fair or just, to grant license to a tramp, to hawk his wares and merchandize, through the streets of the town and to interfere with the trade of the legitimate and established Merchant, who pays his regular quarterly tax on sales, pays store rent and bears his full proportion of the burdens for the support and development of the corporation? Is it not especially unfair to grant such license to such vendor, on sale-day, or other public occasion, the only times when the regular dealer can hope to make up for some of the which occurred on Sunday night last. He trade lost during the intervening dull busiwas a promising young man, about twenty- ness periods? Is it not the duty of our Cityfour years of age a son of Mr. Thos. O. Pathers to shield the regular Merchant against Sanders. Out the 18th Notember last, he sus the intrusion of the peripatetic trader, whose tained a fracture of a thigh and since that practice is, to cry his wares through the time has been a continual sufferer. The streets, palm off his Cheap-John, galvanized bones failed to unite and a large aneurism trash upon the public, and then, vamose with was formed near the seat of the fracture, large sums of money, which never afterwards find their way back into local circulation, but are forever lost to the community? Is it not likewise, the duty of Council, to require on Sunday by Dr. Middleton Michell, of the Town Clerk to assess a Tax upon school teachers and other persons, who order books and other merchandize, and furnish the same at a profit to pupils and other persons, and to collect such tax as from other dealers? Is it
