the next Democratic National Conven-Ohio, who is thus alluded to by the Chicago Times:

Ohio men who have, during the last of Columbia" twenty years, occupied positions of great prominence in the political world, is George H. Pendleton. A man of considerable fortune, and not, therefore, dependent on the emoluments of public office, he has never been a place-seeker, and has not even put himself forward on occasions when aggressive self-seeking on his part might have given him power and position. A finished scholar and polished gentleman, familiar with the best society and conversant with all the ins and outs of high life, he is probably as well fitted in these respects to do honor to high official positions as any man in the country. During the twenty-five or thirty years of his public career the only personal criticism pass-ed upon him has been in mild derision of his elegant manners and courtly bearing. His views on many questions of great public interest have, however, been severely attacked, both within and without uis own party. Never a strong partisan, he has nevertheless been closely identified with the Democratic

party, and has always been considered one of its most reputable, patriotic, and clean-handed leaders. The only trouble that the Democratic Convention will have will be to make a The Confederate soldiers' monument selection.
