No sensible man prefers wealth to health Some few have both; very many haven't either. Well, you may have first choice. Which will you take ? 'Health.' Very well, what's your ailment? 'A little of everything.' What's the cause? 'Blood out of order, kidneys weak, digestion bad, heart's action irregular.' Yes, and every disease can be traced to these same sources. Just take a few bottles of Brown's Iron Bitters, it will remove the causes of disease and restore you to robust health. Ask your druggist and use Brown's Iron Bitters.

BECAUSE it does not shake, rattle or dance all over the floor when run at a high rate of speed.

BECAUSE it has two speeds-one for fine work or a delicate operator, and the other for fast speed, so that you can do one-third more work in a day than can be done on any other Sewing Machine.

BECAUSE it runs Light and Easy. BECAUSE lost motion can be be taken up after years of wear without changing or put-ting in new parts, which cannot be done with any other Sewing Machine.
