EDITORIAL ITEMS.

The Independent Republicans ar still marching on conquering and confice. As those brethern are not goring our ox, we appland them reciferously, and think them very clever fellows, but as for independent Democrats—they are utterly vile.

Herrah for Barnwell. Seventy-nine enadidates were voted for at the Primary, theaty seven of whom were running for County Commissioner however, the popwherety of one was somewhat limited, he having received but two votes. We suppose his political aspirations were forever nipped by this cruel reverse. Gevernor Cleveland's letter of acceptence is just what it should be-clear. policit and concise. But few public men can point to a more consistent record, as the enemy of fraud and trickery than Grover Cleveland; and our solitical life would receive a wonderful impetus should be be elected. Every honest man should work for his success.

Primaries are all the rage now in our State. Almost every day we hear of some new election. The State is one vast campaign from the mountians to sea board, and each day, hundreds o patriots are telling the people in *Beeches of fervid eloquence her badly they want office. We expect that is the reason for our hot, dry weather.

Butler the Beast is out with his letter of acceptance to the Presidental nomination. It is directed to 'My constitwests and covers six closely printed columns of solid matter. He tells all be knows, has a panacea for all the ills ing of a peper published there says its 6th of September. chitorials taste like a beefsteak flavored with chili sauce, and the paragraphing is endowed with that literary abandon that creates hunger of the mind as soon the newsboy comes in sight. Now spit just tumble the whole thing out of the window and make a chaste repast Avoring paragraphs.

About a month ago news of Gen. Gordon's death was received and widely and sympathetically commented on. And now the General writes that he is By no means dead. He says he is safe and everything is tranquil, and asks for news of the expedition for his relief. He also says he intends to remain at steamers until the expedition arrives. Gordon gives warning that the Nile at present Every body and the Tories summer resort of those afflicted with a especially were pitching into Gladstone for leaving Gordon to his fate but Gladstone seems to be on the winning side
