Simon Soapgourd

Writes us a letter which we cannot publish

upless he will call on us and introduce him-

self. We think Simon is a colored ex-school

teacher, who has been bounced for "offensive

partisanship." He betrays the ear marks of

colored teachers by his inability to form the

past tense of regular verbs. The conjugation

of verbs is a stumbling-block over which

they generally fall. Simon suggests-and we

agree with him in that particular-that the

olored teachers not only need several weeks

in a Normal school, but also several years in

a common school. Simon Sonpgourd is

sulky, and like the immortal Mr. Mantalini,

thinks everything is going to the demnition

bow wows, since the Democrats have come in.

Alas! the poor Radical. Forsake your here-

this one.

A good shower would belp the streets hat as it might hurt cotton, we will not insist. Our readers will notice a numier of new ted States, which we have posted up in our Charleston "Ads." this sek which we will office for the convenience of our friends. notice more at length in our next issue. A communication containing the proceed. ings of Co. H. 5th S. C. V. at their recent remaion was received too late for to-days' paper. We will publish it next week.

Mr. D. J. Winn has remodeled his clothing emponeum, and has much improved it in point of convenience. He has a splendid stock on hand at prices to suit the low price of cotton. We would call stiention to the entertainment to be given next Friday evening, Cct. 2nd, near Heriott's X Roads, of which notice is given in another column. We regret that the late arrival of the programme and list of patrous preclude our publishing them. We will say, however, that the programme is quite aftractive and think those who attend will be well repaid.

Folsom & Bro's jewelry store is as nobby and stylish as a new Spring bonnet-that is the dearest love of a thing that we can think of-and is completely filled with their large assortment of pretty as well as useful things. His assortment of silver ware is very Targe and complete, while everything else is mence at eight and do not continue more than with the people in ridding the County of this in proportion.

Attamont Moses has a fall assorment of goods. Call and be surprised at the good bargains you can make.

Hessrs. C. I. Hoyt & Bro. have a fine assortment of first class jewelry, clocks, and watches. They will be glad to have their friends call and inspect before purchasing elsewhere. Job work done with despatch. Mr. Cardarelli of columbia, who has recently removed to Samter, is erecting a stand on the old Barrett corner where he will keep this market. Their stock of eyeglasses and exciting the people by talking of such an ima large assoriment of fruits, in addition to his store on the corner of Main and Republi- presents-well just any thing you want can can Streets.

Prince Winn called on us yesterday, and asked us to say that he is not the brass band man who practices near our office and has driven us to the verge of-saying something wrong. That's all right. All we want in reference to the "practice" question is for them to rent that bollow cypress.

Messes L. Ryttenberg & Sons will be glad to see their friends and show them the large stock they have on hand. Their advertisement in to-day's paper gives a faint idea of what they have, but a personal inspection will be far more satisfactory. Their mammoth building is crammed from end to end and from top to bottom with dry goods, claining, groceries, &c., &c.

Very Nice. The office and fixtures of Dr. G. W. C. Dick are in apple-pie order. It robs tooth doctoring of much of its pain to sit in as comfortable a chair, with such dainty surroundings and just imagine you are somewhere else than under the torturing hands of Benfist.
