Mrs. J. M. Spann and her two children left last Friday for Yorkville where they intend to summer it for several weeks.

A letter from "Artemas," "Dew's" report of a visit to Mayesville, and a letter from Ramsy are crowded out of this issue.

Capt. E. C. Green will be in Sumter on 16th and 17th August with his full line of samples of dry goods and notions.

Miss Lula Suder who has been visiting relatives in Columbia has returned home, accom-

Mrs. Liula Brockington of Williamsburg County, are on a visit to their mother, Mrs. Parton.

R. D. Lee, Esq., was considered the most distinguished looking man in the city of Columbia last week. Quand on voit la chose | eagle, we notice Dr. Vincent, the great origion la croit

Dr. McLaurin of Wedgefield, Sumter countrais in town this week. He contemplates Carlisle of Wofford, the counsellor of the moving from Wedgefiled, and thinks of locating in Darlington .- Darlington News, Ang: 5:---Hr. A. A. Solomons will leave this week for Orleans, besides other distinguished names for the North ... His daughters have been there for some time, and he will join them at Rock-

away Beach, and make his trip one of pleasure as well as business. Our former townsman Jas. H. Mason, is, we are pleased to see, looming up as a go-ahead

sinces man in Darlington. At the late Frat Fair there, a conspicuous feature was the liberal distribution of fans and business eards from the "Darlington Jewelry Store." of printers ink.

Mr.J.M. Mayhew, of the firm of C. Mayben & Son, Columbia, S. C. is in Sumter in the interest of their business-Marble and Granite work, of all kinds, and will remain about a week, during which time he will be pleased to see any one in want of monuments, beadstones or any work in their line. Headquarters at Jervey Hotel. This firm erected the handsome monument in the Catbolic Churchyard to the memory of P. J. O'Donsell. All orders entrusted to them will recoive prompt and careful attention.

We are requested by Rev. R. P. Franks to state that the regular services may be expected at the Methodist Church next Sunday, a 11 o'clock.

Rev. N. W. Edmunds preached an interesting sermon last Sunday on the subject of rest, at the close of which he announced that in accordance with the wish of his congregation he would take a vacation of one for four Sundays.

The judgment in the case of Paul Coleman vs. the W. C. & A. E. R. Co., was affirmed by the Supreme Court last week. Messrs. P. lege and the Citadel Academy, lower taxa-G. Bowman and Walter I. Harby were the counsels for the plaintiff, whose skillful man- stating their positions on such questions peosgement of the case reflect great credit upon ple would then know who to vote for. them.

We must congratulate the choir of the rresbyterian Church upon their ability to pull thus self-respecting." Does she not know through under adverse circumstances. On last Sunday several leading members were absent, very unexpectedly, but those who were society, a girl must steer as clear of anything present, feeling the responsibility of the occasion, secured some extra help, and really deserve much credit for the manner in which That this sentiment is as rampant to-day as it they rendered the music.

Sumter Institute. two-thirds of an average crop will be made. We understand that Mrs. L. A. Browne of the Rain is badly needed above Bishopville, very Sumter Institute is in attendance as a pupil at little rain having fallen in that section since the Monteagle Chautauqua Assembly in Tenthe 10th of July. nessee. Nine Chantanqua of the South, and promises much horses have died in this section recently from greater things in the future. One of the main various causes. eatures in this school-is the teaching of the The Farmers are thinking of having a barmience and art of teaching, telling what is to becue or picnic, sometime in the near future, and inviting Messrs. Tilman, Thomas, and be educated, what is best to be taught and the best methods of teaching. And all this is

others to address them. An effort is again beenforced by putting it into practical operaing made to build a house and establish a tion. The child is put at its kindergarten and the post-graduate at exercises and studies cess crown their efforts. snited to his capacities. Each department is presided over by a master or mistress selected

tives in Columbia has returned home, accom-panied by her cousin Miss Minnie Kirke. Annie Zernow, of Charleston, and distinguished processors, scientists, scholars and educators of the country. Indeed the Chautanqua is the environment of all that is healthful and developing in a religious, moral, intellectual and social aspect, under which one may be more benefitted in a few weeks

than in years elsewhere. Among the distinguished persons at Monthopes that arose when the rains ceased, will nator of the Chautauqua, a man of varied

culture, extensive learning, great benevolence this season. and of irresistible personal magnetism; Dr. Southers Chaptangua, whom we all know and are proud of as primus inter pares of the learned men of our country; Dr. B. M. Palmer, the golden-mouthed preacher of New good cotton.

of numerous to mention. We feel assured that our townswoman, who already so favorably known as a teacher, will return from this mount of privilege to her work in the Fall with fresh inspiration and increased efficiency.

Miss Sophie Hart, whose name appears in the advertisement of the Sumter Institute, after her graduation from this school in the class of 1881, and after spending one year in teaching in a private school, went to the Baptist College in Lexington, Mo., of which her uncle; Prof. Lanneau, is president, in Thanks Jim for samples, and don't get weary order to perfect herself as a teacher in art, mathematics and modern languages, and, at

her graduation last June received three medals as marks of excellence. "We will welcome her back to Sumter with the assurance that her presence will add to the educational attrations of our town. Smithville Items.

SMITHVILLE, S. C., August 2, 1886. Mr. Editor : The crops have improved some in the last ten days, but are now needing rain badly. If we don't get some shortly, will be cut short again. Once by rain, the other by dry weather. A negro died here recently and as usual

was buried with much eclat. I am under the impression that some of these people believe their God to be very deaf. Primary elections are not very popular about here. Probably the people have enough of whiskey-drinking, bull-dozing, box-combi-

nation in the interest of certain candidates at primary elections, to want a convention to nominate: composed of the best msn of Sumter County. To say a ticket put forth by such a body would not give satisfaction, and that it could be controlled by a few men is too month, and that the Church would be closed absurd to discuss. Since we are to have another primary, the candidates for the Legis-lature should formulate a platform on the

leading questions of the day, such as the lien law, free tuition in the South Carolina Coltion, repeal of the 2 mill tax for educational purposes, the Columbia Canal, &c. By I wish "Woman" in last week's Watchman

and Southron had told the occupations she day. believes will make girls "self-supporting and menced the exercises with an encouraging pals. that there is an unwritten law in the social speech to the children and was followed by code of South Carolina which few will admit the different classes with appropriate recitaand none can deny, that to move in gentcel tions. The regular exercises for invited speakers were then begun. Mr. W. A. towards a support, like field work, as she Wright was introduced and addressed the auwould a rattlesnake-all her accomplishlience on Sabbath School privileges, followed ments to the contrary, notwithstanding? by Rev. J. J. Myers on the duty of Parents to Sunday School. Rev. Mr. Mims gave un is false is only too true. The existence of this instructive speech, and Col. W. D. Scarfalse but pernicious law has caused many a borough also entertained us with some interman to exert himself beyond reason, so his esting remarks. Two open bolls of cotton were brought to daughters can keep their fair hands, and keep Dinner being announced the exercises adclear of the fields, thereby insuring a clear corned until afternoon. A sumptuous dinpassport into the society of the elite. Qui Vive is no advocate of hard manual work for ner, presided over by an obliging committee, and their worthy chairman, Mr. T. P. Kilgo, being over, the programme was again resumed woman. Unfortunately most of our women have more of it to do than they are able in and concluded with an amusing little speech the house-work of the present day, but there from our proficient teacher, Prof. J. P. Gibbes are instances where it does not take all to do in his happiest style. the housework. In such cases, a young lady We also had the pleasure of listening to a should not be socially ostracized because she few appropriate remarks from Messrs. J. T. Wilder and W. P. Smith, of Sumter. other of our cotton beds during the rainy eries. The corn and pea crops are fine.

I notice the political pot is getting on a oiling heat, and also observe that not many of the former delegates are returned to the History, &c.

Rev. C. C. BROWN will give lessons in French and also in the rudiments of German

tinued through the following week. Rev. A. J. Stokes was in attendance, and delivered some instructive and highly interesting truths.

Witness, William H. Cuttino, Esquire, Clerk of the Court of Common Pleas, in and for the said County and State, at Sumter, this twenty-third day of January, Anno Domini, 1886. [L. S.] HAYNSWORTH & COOPER, C. C. P. Plaintiffs' Attorneys. July 13

BRADFIELD'S Female Regulator.

complaint.

This famous remedy most happily meets the demand of the age for woman's peculiar and multiform afflictions. It is a remedy for WOMAN ONLY, and for one SPECIAL CLASS of her diseases. It is a specific for certain diseased conditions of the womb, and proposes to so control the Menstrual Function

as to regulate all the derangements and irreg-ularities of her Monthly Sickness. The proprietors claim for this Remedy no other medical property.

Bradfield's Female Regulator Is strictly a Vegetable Compound, and is

the studied prescription of a most learned physician whose specialty was WOMAN, and

ment and cure of female complaints. Suffer-ing woman, it will relieve you of nearly all

he complaints peculiar to your sex. Sold by all druggists. Send for our treatise on the Health and Happiness of Woman, mailed free, which gives all particulars.

THE BRADFIELD REGULATOR CO., Box 28, Atlanta, Ga. April 20
