SUMTER, S. C.

Sept. 21, 1886.

Something You Need-Shorthand. "Why ?"

Because it will aid you more than anything else in acquiring knowledge. Because it will serve you in case of misfortune. "How can it be learned?"

By the aid of a book studied at home and lessons by mail from an accomplished teacher. "At what expense ?"

The trifling sum of \$6.00, including book. "Why so cheap when Colleges advert same course of instruction for \$25?

Because a new text-book is used that reduces the labor of learning proportionately to the difference in price by the system being made simpler than heretofore and more practical, besides being the most popular method, having the indorsement of our Cougressional and professional reporters everywhere, together with over 1000 graduates of our Chain of Phonographic Colleges. Boys and men on the farm, in workshops and elsewhere—girls at home, in factories and at school have learned the art in from threee to six month's study during spare moments and been helpedto positions in offices by Mr. Scott-Browne where they have earned from \$12 to \$20, a week.
