I have had blood poison for ten years. I know I have taken one hundred bottles of lodide of potash in that time, but it did me no good. Last summer my face, neck, body and limbs were covered with sores, and I could scarcely use my arms on account of rheanatism in my shoulders. I took S. S. S., and it has done me more good than all other medicines I have taken. My face, body and neck are perfectly clear and clean, and my rheumatism is entirely gone. I weighed 116 pounds when I began the medicine, and I now weigh 152 pounds. My first bottle helped me greatly, and gave me an appetite like a strong man. I would not be without S. S.
