SOUTHRON. AND WATCHMAN THE

The Tolatchaan and Southron.

WEDNESDAY, AUGUST 3.

The Sumter Waichman was founded in 1850 and the True Southrow in 1866. The Watchman and Southron now has the combined circulation and influence of both of the old papers, and is manifestly the best advertising medium in Samter.

Attention Advertisers.

The Watchman and Southron will hereafter be published on Wednesday, and advertisements should be sent in not later than Tuesday afternoon. Changes of contract advertisements must be made Monday morning.

THE FARMERS' ENCAMPMENT.

The Interstate Farmers' Summer En campment, held under the suspices of the Patrons of the Husbandry of Alabama, Tennessee, Georgia and the Carolinas opened at Spertasburg on yesterday with the brightest prospects of grand results to the farmers. This is its first meeting and it is organized for the purpose of promoting the agricultural and mechanical resources of this section of this country. The encampment will continue until Saturday next. On Thursday and Friday next the summer meeting of the Agricultural and Mechanical Society will hold its session.

Mr. A. B. Williams has retired from the editorship of the Greenville News, to assume the duties of managing editor of a new daily paper to be started in Charleston on 15th of this month, and which will be named the Charleston Sun. Mr. John McElree will be the proprietor. The News and Courier, lina. The Yorkville Enquirer says: has taken time by the forelock and now issues an evening edition which will be sent to all subscribers who desire to take it. It seems that it requires more in Lancaster County. than one paper to satisfy the two clements in the City by the Sea.

The scene in Hamburg is quite piti- of the practice of our Courts. There dial as well as the railway interest, for July 22d, and played a match game with the able. Speaking of the condition of are, however, some newspapers that it will be quite an item in the expense Bishopville club.
