Every twin the State of South Carolina, to grant to

Mr. H. E. Thomas and Capt. R. J. Brownfield which we will mention in due time.

Dr. Dennis has laid out Dennis Avenue, vancement of the agricultural interests and just in front of Methodist Church and paralother objects for which the farmers of this lel with Cousar Avenue on opposite side of

Main Street.

Rev. Mr. Bowman of Darlington spent last the delegates to vote for the establishment of week with the family of our townsman Mr. an Agricultural College at the Convection in Colembia, Capt. Brownfield instantly rose and said that if be had to go to the Conventional and said that if the conventional and s sion handicapped that he would be compelled | village visiting Mrs. D. S. Pate. to decline to serve as a delegate. The resolu- Mr. J. R. Cousar of Brick Church neigh-Sold requested that some other gentleman be elected in his place.

As this request was inlested upon by Capt. Brownfield, Mr. B. P. last Saturday, Mr. J. T. Green of Sumter.

We are always glad to see the genial face of Sumter.

We are always glad to see the genial face of Sumter. After this the meeting adjourned

The two houses of the Legislature met at noon on yesterday and after the usual formalties of organization and Interchange of mes-

sages that each body was duly organized, a committee from each branch waited on the Governor to announce that they were ready

Three new members of the House were

The Governor's message, takes up the State debt, which he states in the aggregate amounts to \$6,400,000, of which \$277,000 is is estimated as valid bonds issued between 1868 and 1872 and ante-bellum bonds not consolidated under the Act of 1873. There is every reason to believe that a large portion of these have been lost or destroyed and that the State will never be called upon to redeem

THE SINKING FUND COMMISSION'S WORK. It is shown by the Sinking Fund Commission that there is now outstanding \$420,238 of deficiency bonds and stock due July 1st, nice in the way of clothes, and Brown & 1888. To provide for the payment of these, it is recommended that authority be given the advertisement in to-day's issue. Governor and such others as may be designated to give notice through the papers of the principal money markets of the world, that South Carolina desires to issue bonds for this cure. sum, and ask for proposals for a loan to be McGahn, Bates & Co .- Sale Under Mortsecured by State bonds.

COMING RELIEF FOR TAXPAYERS. This adjustment would immediately effect a saving of \$8,000 in the interest account, and would be but a foretaste of the relief taxpayers will feel when the whole State debt is refunded in a like manner in 1893. If by maintaining the credit of the State by promptly meeting her liabilities we succeed in ultimately placing the entire debt at 4 per cent.,

the annual budget will show a decrease in interest charges of \$120,000.

FORFEITED LANDS. Regarding forfeited lands the Governor says the burdens of taxation should fall equally on all, but regrets that such is not the case in South Carolina. As is seen by reference Wilmington, N. C. The writer, after refer-to the list the lands forfeited for non-payment ring to the extraordinary and wearing naof taxes at the end of the fiscal year 1886 were 954,237 acres; the forfeited land list Mr. John A. Phillips, a good mechanic, left during the year ending October 31, 1887, held out had it not been for the bracing effects shows new forfeitures incorred, bringing up of the admirable Tonic." Again the writer shows new forfeitures incorred, bringing up of the admirable Tonic." Again the writer the total to 1,054,282 acres, and though 42,- says: "I am proud of Greenville's sons. 298 acres were sold or redeemed and 94,131 Long live Dr. Westmoreland, and may his were stricken off as erroneous entries during the past year, there still remains a net acreage of 914,853. Though this is apparently Mr. J. P. Campbell, a cotton buyer for being more promptly paid, but to the activity best established himself in Sumter and has an

In regard to the public schools it is stated there is an apparent decrease of enrollment, but this is due to the closing of the schools evening. Mr. R. C. Blanding who will be in Georgetown County under an Act of the one of the waiters, will leave Sumter in the Assembly and to an error of the last return from Berkeley County. There is, however, throughout the State a gradual and constant increase in the number enrolled and the average attendance. Longer terms and more thoroughly trained teachers are demanded. There should be a general Act providing for local taxation to supplement the school fund, where the community desire schools of a higher grade.

THE SOUTH CAROLINA COLLEGE. excellent representative, W. O. Cain always | The South Carolina College is said to be in smembers the Watchman and Southron, and an encouraging condition and it is stated as we are proud to say that we will always be a gratifying fact that though the law requirfound among his staunchest constituents. ing tuition became operative this fall, yet the We received a letter from Mr. Cain this morn- number of matriculates already reached 160,

the citizens of this County during the sitting of the laboratory and the of the Legislature. Cards have been issued for the marriage of in the character and extent of its experimen-

DEPARTMENT OF AGRICULTURE. The department of agriculture is said to be

accomplishing great good for the State. Its reports show the increase and value in crops, | HARPER'S WEEKLY ...... 4 00 and that the proportion of fertilizers showing deficiencies in essential ingredients is decreasing; and other matters therein are referred to as showing the value of the department. The Governor commends it to the continued support and encouragement of the Legisla-

Governor Richardson thinks that the question of what to do with the Columbia Canal is one that demands the earnest attention of the Legislature on account of its great value from a business point of view. As to the completion of this Canal it is simply a question of polity whether or not it would be wise to throw away what has already been expended upon it. The total cost of the Canal up to the 31st of October, 1886, since which practically nothing has been expended upon the work, was \$130,705.68-\$53,136.71 cash, Contractor Hardin bas commenced work in \$77.574.97 estimated value of convict labor. cernest on the August: Extension of the W. | \$5,130 of which was contributed by Colum-C. & A. R. R. His construction train of bia. Every cent came from the surplus earn-

agons and carts arrived the first of the week | ings of the Pententiary, so that not one mill of tax has ever been levied or collected The wagon train passing through the Coun- for the purpose of developing to completion an enterprise of such magnitude and importance to the industrial prosperity of the State. The Governor is sound on the convict question. He and the board are one in opinion that the best place for the employment of pleased to learn of his fine success at Black- convicts is to make them do agricultural labor after the expiration of the present contracts.

With this in view, negotiations are being acres in Lexington County. In reference to the jurisdiction of trial justices it is recommended that an Act be passed defining the punishment of petit larceny and other minor offences, so as to bring such

cases within jurisdiction of Trial Justice Attention is called to the grave importance of the establishment of a reformatory institution for youthful criminals.

The Blackwood case occupies considerable space in the message, the correspondence between the Executives of South Carolina and Georgia being given, with the facts as to the indictments found against Stone and McNally in Aiken County.

The message concludes with general rearks to the Legislature and expresses the HARPER'S WEEKLY, One Year ........\$4 00 considence in their faithful performance of the
