Diaz saw this document in the Ha vana papers while he was in Richmond at the Convention, and at once wrote to the Bishop his thanks for giving him and his work so good an advertisement, and proposing on his

return to Havana to discuse these questions with him. The anathema and threats of the Bishop were as powerless as his other efforts, and growing desperate, on the 24th of May he sent 100 armed men at night who tore up the road leading to the Baptist cemetery so that it could not be used. This will, of course, be remedied, as it was a plain violation of the rights of American citizens and of Spanish law as well. Meantime Diaz has been answering the circular of the Bishop with results that are pest told in two letters which have just been received from him. Under slate of Jone 4th he writes:

Rev. Dr. Tichenor : My Good Brother-I have receivrd your letter dated 29th of May and mother from Brother Adair with a

check for \$666.45.
