Personal.

Mr. Herman Baltimore of Florence is in the city visiting relatives. The Solicitor John S. Wilson and family spent Christmas in Sumter with relatives. Col. Rich'd Dozier, of Georgetown, spent Christmas with his daughter, Mrs. R. D. Lee. Mr. Henry McLaurin, of Texas, eldest son of Dr. H. J. McLaurin is on a visit to the latter.

Rev. H. F. Oliver had a Christmas gift of a fine horn at Georgetown on the morning of Dec. 27th.

Mrs. Mary Brown, one of Columbia's charming young ladies, left the Mt. Zion neighborhood on the 28th, inst. for her home in Columbia, leaving many addresses and friends behind.

Dr. S. D. Doer, of McMillanville, Charleston county, spent Christmas in the city with his daughter, Mrs. Geo. D. Shore. Hattie Doer who had been for several months on a visit to her sister returned to her home with her father on the 28th ult.

R. F. Mason, who has been in the jewelry business at Laurens, has yielded to what appears to be the "ruling" of the Mason family and will engage in electric business hereafter. He has closed out his business at Laurens, and will go to Pittsburgh, Pa., after spending a few days with his relatives here.

An interesting letter from "Qui Vive" was crowded out this week.

A new bar-room shop has been opened next to Scafee by Mr. C. C. Redie.

The Game Cock Lodge K. of P. will give their anniversary supper some time in the month of February next. Then the brethren will next play their part in the same role.

The girls and boys who have spent their holidays at home in our city have all returned to their schools at their various schools and colleges. The Sumter Institute and the Graded School resumed exercises to-day.

The next meeting of the Privateer Amusement Club will take place at the Misses Wells, on Friday night. It will be a character party. The public are cordially invited to attend.

The tournament at Bossards will take place, Jan. 11th at eleven o'clock. All knights are invited. Come one come all. Only ten cents fee to pay expenses.

We call the attention of our merchants to the law prohibiting the sale of tobacco, cigars and cigarettes to minors. The penalty for the violation of this law is heavy and we caution our merchants to exercise the utmost care to avoid trouble.

A nice little post office has just been built at Broodton on the Central R. R. The accomplished wife of Mr. William T. Broodton is the postmistress. Broodton, Oakland and Alcohol offer abundant opportunities for every delivery of the Watchman and Southern to every family, and we hope for a rush of subscriptions. A special clerk is ready to give receipts and enter the names. Let them come, we repeat it, good friends, bring them in.

Bank Dividends. In our advertising columns will be found notices from both our local banks declaring semi-annual dividends.

The Simonds National Bank declares 4 per cent, and The Bank of Sumter 5 per cent.

Acts of General Assembly. We are promised for our next issue a review of the work of the recent general assembly—a synopsis of the laws passed of general interest, as well as those of local interest to Sumter, to be prepared by a member of the lower house from this city.

The City of Sumter. In the report of the Masonic Banquet we print the speech of Mayor Wood in full. It is an interesting reading, besides being a concise and attractive statement of facts which those who take an interest in Sumter's progress will be glad to have advertised abroad. The speaker need not have been so very modest in claiming for his Council that it has done more to advance our city than any Council that has preceded it. The facts bear out the assertion.

Swamp Lands. Among the notable arrivals at the Jersey House appears the name of R. B. Dolesey, of Bay City, Michigan. Mr. Dolesey represents the syndicate that recently purchased the Charleston swamp lands. He is here in the interest of this mammoth enterprise, arranging for the establishment of the plant at this city for the manufacture of the lumber into marketable products and the general plan for utilizing the large body of timber of which the syndicate has recently become the owner.

Officers K. of P. At the Convention held at their Castle Hall on Monday evening Dec. 23d inst., the K. of P. elected the following officers for ensuing term:

T. E. Richardson, C. C. R. M. Wallace, V. G. C. W. H. Ingram, Prelate. Hartow Walsh, K. R. S. & M. F. H. C. Moses, M. E. J. L. Parrott, M. A.

Officers to be installed third Monday in January next.

Hotels. In a local last week the Watchman and Southern said something about the lack of suitable hotel accommodations, and some faultfinders are endeavoring to construct a disparagement of the Jersey House and the many excellent boarding houses of the city. This construction of the local referred to is a strained one. The thousands of commuters and other business travelers who often go out of their way to stop at the Jersey House, sometimes traveling fifty miles in order to spend their Sundays there, will testify that "Mine host" Jersey keeps an excellent hotel for the kind of patronage for which his hotel is adapted and intended. But we had reference to an altogether different kind of a hotel, such a hotel as Highland Park in Aiken, specially adapted to the accommodation of Northern invalids, pleasure seekers, sportsmen and those who seek the South to escape the rigid weather of the North. These classes of travelers go only to those places where they can get all the comforts, elegance and leisure of the home they leave behind them. Has Sumter a hotel or boarding house that can offer these inducements? If not, then why snarl and snarl at the Watchman and Southern for saying the Sumter needs such a hotel? We repeat it now and propose to repeat it until one is built, a grand hotel is becoming an absolute necessity to Sumter.

Temperance Lecture. Rev. T. H. Pritchard, D. D., of Wilmington, N. C., delivered a lecture on the subject of temperance, or rather, intemperance, in Music Hall last night to a large audience. The lecture was a good one and particularly effective by reason of the conspicuous absence from it of that vituperation and denunciation so common with temperance lectures and which always mars the effects sought to be produced.

Dr. Pritchard had nothing harsh or unkind to say against the unfortunate man who drinks or whom who sells liquor, but his language was from his great heart, full of charity, forgiveness and compassion. He condemned the law which licenses vice and pictured with impressive rhetoric the many mournful tragedies which wait on the lines of the modicum of liquor. His lecture was impressive and we trust fruitful in good results. His audience ought to feel grateful to that big hearted citizen who paid out his own purse Dr. Pritchard's expenses to Sumter.

Religious.

There will be a special service at the Baptist Church on Sunday evening next.

The Rev. H. F. Oliver will preach at the Johnson school on the 1st Sunday, 11 a. m., and at Home Branch, 4 p. m.; on the 2nd Sunday at Home Branch, 11 a. m., and at Graham's, 4 p. m.

The meeting of the Black River Union at Home Branch was well attended. The reason preacher, Rev. H. W. Mahoney, was the only preacher in attendance until Sunday, when Messrs. Wells and Oliver appeared and the former preached a missionary sermon of remarkable power. One objection is constantly made worthy of being committed to the "immortal custody of the press." It is this: "Before the Servant of God whose faith is strong and whose life is pure, battles as traitor as converts and high as the Himalayas will fall down into hopeless ruins."

Kindergarten.

We call attention to an advertisement on another page of a Kindergarten school to be established here by Miss J. A. Muckenfuss. This is something new for Sumter and we hope will be extensively patronized.

C. S. & N. R. R.

Messrs. A. A. Howlett, A. Amos Howlett, J. J. Barker, of Syracuse, N. Y., stockholders and directors of the Charleston, Sumter and Northern (Edgewood) R. R. W. G. Brownson and M. Woods, Superintendent and Master of Construction, respectively, and S. J. Pringle, of Charleston, another prominent official of the road, have been in Sumter during the past few days in consultation upon the Northern extension of the road. It was determined at a conference held at the Jersey House yesterday to push the construction of the road at once to Cheraw. Work will begin immediately and the Northern connection will be established in a few months at Cheraw. The prospective route is through Bishopville. That town has donated 100 acres of land within the incorporation to the Company. The right-of-way man has gone over this route and wrote yesterday from Cheraw that he has succeeded in getting from the owners the right-of-way through all the land intervening between this city and that town, with a few unimportant exceptions. This intelligence was not only gratifying but increases the commencement of the work at once.

Mr. Howlett and his party left here last night for Charleston. Mr. Silver, the President of the Company arrived in this city this morning. These gentlemen expressed themselves as highly pleased with Sumter and the surrounding country, and predict a great future for our city.

Christmas Hop.

The Annual Christmas Hop came off at Music Hall on last Thursday night and proved to be the most pleasant dance of the season. This dance was eagerly looked forward to by the participants. The pleasures of the occasion were much enhanced by the presence of a half score fair visitors from other cities and States. Columbia, Burlington, Virginia, and North Carolina, each furnished its contingent of fair women.

Dancing began at 10 P. M., and was continued till 2 A. M. The last two hours were given up wholly to the German, gracefully and skillfully led by Dr. Archie China, assisted by Mr. W. Alston Pringle. Honor to Whom Honor is Due—Corporations Have no Souls?

Two charitable citizens wishing to dispense some food to various deserving, yet needy people, applied to Mr. T. M. Emerson, General Freight Agent, to furnish free transportation for a cartload of same. This he readily and willingly did, thus fulfilling the latter part of the caption above set forth, and has since repeated the same gracious act. The writer is informed by one in a position to know that admirably conducted institution, the Atlantic Coast Line, has a "charitable account" to which no inconsiderable items are added from time to time. This seems to us very commendable for this corporation has some officers who have hearts if the body itself be not of steel? This act of kindness on their part and of the other gives will be a warm Christmas offering for both the hearts and bodies of the recipients. Needs like these make the whole world kin. The soulless (?) corporation, the affluent citizen and the needy poor come together in this season of love and good will.

We refrain from motives of delicacy, from giving the names of the kind-hearted citizens whose charity has lightened somewhat the burdens of the needy. The gratitude of those helped is their sufficient reward.

Dance at Mount Zion.

A dance was given by the Mt. Zion young folks at the hospitable home of Mr. George Brearly on the night of the 25th December, in honor of Miss Ruby Brown. It was pronounced a grand success by all present, and many went home with a desire in their hearts to have another very soon.

A Participant.

"Who breathes must suffer, and who thinks must mourn, and he alone is blessed" who knows that pain and suffering can be cured by Salivation Oil.

Although we have heard persons remark—"It is worth its weight in gold"—still Dr. Bull's Cough Syrup is to be had at all drug stores for 25 cents.

To Dispel Colds.

Headaches and fevers, to cleanse the system effectually, yet gently, when costive or bilious, or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritation or weakening them, use Syrup of Figs.

A Friendly Meeting.

"How are you feeling, old fellow?" "Oh, I don't feel well; I can't eat. I am languid and feel generally good for nothing." "Well, my friend, there is no use to feel that way. You need something that will do away with that torpidity of the liver and any impurity of the blood." Such a remedy is in reach of you every day, and you pass by your drug store three or four times a day and never think to ask your druggist what will benefit you. If you did, he would answer at once:—"Dr. Westmoreland's Calisaya Tonic is the very thing you need." The bottles cost only 50 cents or \$1.00.

For sale by all druggists, and wholesale by Dr. A. J. Childs. Jan 1.
