#### The Watchman and Southron. WEDNESDAY, JANUARY 8.

the combined circulation and influence and unable to perform their duties. of both of the old papers, and is manifeetly the best advertising medium in Samter.

#### PAYING TAXES.

Our correspondent, "Qui Vive," has no doubt, paid his own taxes, and is therefore competent, from his standpoint, to pass judgment upon the "mistakes of the Legislature" in extending the time until Feb. 1st. But this bas been an exceptional year, and everybody says that the season has been unusually backward, besides which not a few need time to raise funds from some other source in order to meet liabilities

-- taxes included. Therefore it strikes us as not out of place for the State to he would have acted in an entirely different macy-the common heritage of the indulge those who need it. Nevertheless the point made as to time for opening and closing the books, looks to be

#### RATE OF INTEREST.

The most foolish piece of legislation of which the present Legislature is guilty is the act limiting the rate of interest on money to S per cent per annum. changed.

Money in South Carolina at 10 per cent. is cheap The value of money depends on the conditions necessitating General Assembly.

The farmers, who are responsible for this change will be the principal sufferers. It will have the result of throwing the farmers back into the bands of the Charleston factors and finally into the hands of the lawyers.

cent. They can't afford to lend it at no man to earn the money.

## A Horse! A Horse! MY KINGDOM FOR A HORSE!

Horace Harby says that "feller" need not have made such a fuss about a horse, for if he had come to his stable he could easily have obtained one for less money. He does not exactly remember whether he said anything about mules, but he could have bought a mule too, for he expects two car loads of Horses and Mules between now and salesday in January, in addition to the stock new on hand; and will be able to supply "that feller" or any other "feller" who will come with the cash or approved security. He wants no kingdoms. The United States is good enough for him and a very small spot in that (Sumter County, coals, Mency Laced Grain and Creed. S. C.) is dearer to Harby than that "feller's" whole kingdom seems to have been to him; so stick to Sumter County and cul-
