The capital stock of this Association is \$20,000,000. Any one can become a member by subscribing for the amount of stock desired, not less than 5 Shares. Stock at maturity is worth \$100 00 per share, and matures in six years. The nayments on stock are \$1.00 per share first month, and 70c per share each month thereafter. A member has the option of earrying his stock as an investment, or he may borrow on it by giving either farm or town property as security. The stock as an investment is safer than Bank or insurance stock and doubles the money paid in 6 years. This Company is the only one in the country that allows a member to withdraw his money after one year with 6 per cent, added, after two years with 7 per cent, and after three years with 8 per cent,, and the only Company that loans both on town and farm property at 6 per cent. per Columbia Division-Through Trains be- annum. There is no premium attached to the loans, and no commissions deducted, but a borrower gets the full amount he applies for and pays 6 per cent. per year on amount he actually gets, and has the privilege of repaying his loan at any time after one year and stop interest on same.
