The reason RADAM'S MICROBE KILLER is the most wonderful medicine, is because it has never failed in any instance, no matter what the disease, from LEPRO-SY to the simplest disease known to the human system.

The scientific men of to-day claim and prove that every disease is CAUSED BY MICROBES,

BADAM'S MICROBE KILLER

Exterminates the Microbes and drives them out of the system, and when that is done you cannot have an ache or pain. No matter all diseases constitutionally.
