Miss Jessie Monroe of Eatw, Ala., and who has recently graduated in Washington city, D. C. arrived in Sumter last Sunday, and will spend a short time with her relative, Mrs. N. G. Our readers will see the card of Col. W. D. Scarborough in our columns of to-day, in which he replies to a nomination made, over the signature of "His Neighbors," and bringing him forward for senatorial honors. To-day, while the people are making political decisions, it is pleasing to note the conservative position taken by one of Sumter's most successful farmers. He is willing to accept or reject anything to ally himself with any party, but he is not willing to be a candidate which he is founding this year.

It will be seen elsewhere in this issue, Mr. J. E. Scott occupies the position, on the Watchman and Southron's staff, vacated by the retiring editor, Mr. Scott in locating at Sumter, and the position he is filling in response to all calls upon him for making surveys, plat, &c., in the city of Sumter and the surrounding country. He is prepared by years of active experience to give the most accurate and reliable information on mechanical drawings or designs. To be found at Watchman and Southron office.

The Examination for the Convalesce College scholarship will be held at the Graded School Building, on next Friday. Great bargains are advertised by Mr. A. A. Solomonson. Goods at 25 per cent. below first cost. Semi-annual dividend of four per cent. has been declared by the Simmons National Bank.

The Bank of Sumter publishes to-day its Quarterly Statement, showing a continued increase in its business. As will be seen by a comparison of the Bank's statement with its semi-annual dividend of 4 per cent. The Manning Collegiate Institute closed the work of its first year, under the charge of Prof. Jas. Simmons, of Charleston, as principal and superintendent. The institute has demonstrated the value of such a school, in the progress of its pupils. The building is a new, handsome and commodious one, and the services were awarded to Miss Carrie Legg; and the second and third honors to Miss Sallie Stokes and Maud Davis, of Charleston.

Religious. Rev. John Kershaw will conduct the services at the Episcopal Church in this city next Sunday morning and evening. Services at 11 a. m. and 8. 30 p. m.

Ice Cream Festival. The Pretiner Amusement Club last Friday evening held a festival, and it was very successful. Forty-three dollars remained, to show how well the evening had spent.

Accident to Mrs. L. P. Loring. We very much regret to learn, that Mrs. L. P. Loring of this city, received a painful accident, as the result of a fall, down the doornote, last Sunday night, from which she has not yet recovered.

City Improvements. On Main St. we are pleased to note the handwork of the artists, in beautifying the city. The Messrs. Levi Eros have had their stores repainted, adding greatly to the appearance of the establishment.

The store of the Messrs. Schwartz Bros. is undergoing the renovating influences of brush and paint, on Main St. That is right gentleman! Pass the word down the line; and when the fall trade opens, the city of Sumter will be, indeed, like a smiling belle, ready to receive her beaux.

The Monaghan Block of handsome buildings is rapidly rearing its lofty head, and taking place, again, in the busy mart of trade. Mr. O'Donnell is putting the work vigorously at his disposal. It is one that will be the passer by when completed.

Messrs. Schwern & Co., will occupy Capt. Reid's new store on the corner of Main and Republic Streets, and are nearly ready for occupation. The Sumter Light Infantry will occupy the upper story as an armory. The store adjoining, is being built by Mr. Anthony White and is also nearing completion. The second story of this store will be used as an office by the Sumter Advance. These edifices do great credit to architects and builders, and will be a great ornament to the city.

Plastic, mixed with a little water makes a splendid substitute for Kalsomine or wall paper. For sale by Gaillard & Lenoir.

Death.

Information has been received, that Dr. Stephen H. Miller, an old citizen of Sumter county, died at his residence near Lynchburg, Sunday night, June 24, at the age of 81 years. Dr. Miller was once a Baptist preacher, but, afterward, became a practicing physician. Mr. Wm. Wilkinson, of Columbia, died at Bishopville a few days ago of typhoid fever. Mr. Hamilton Boykin, the promising young son of the late, lamented Col. Bruce Manning, of Clarendon County died on last Monday at his home near Hamlet, in York County, of Kershaw County. He had been living at Clifton, S. C., and having contracted typhoid fever there, was removed, but his final malady could not be arrested, and his young life was brought to a close.

Poisoned With Laudanum.

On last Friday evening, the town of Manning was startled, and deeply pained, to learn that the beautiful little daughter of Mr. Aaron Weinberg, aged about three years, had been poisoned accidentally, by mistaking laudanum for some other medicine. Dr. W. S. Pack, who administered the fatal dose, did everything in his power, aided by Dr. S. C. Richardson, to save the little one; but about nine o'clock P. M. the same night, she passed into the sleep of death. Tuesday morning last, accompanied by some friends and relatives, the body was carried to the city of Sumter, and interred in the Jewish Cemetery. It was, indeed, a sad mishap, and one that should warn all persons who hold human life in their hands to be ever on the alert.

The C. S. and N. Railroad.

Mr. A. Ames Howlett, general manager of the Charleston, Sumter and Northern Railroad, was in the city yesterday. He said that the directors of the company had awarded the contract for the bridge over the Pee Dee River to the Phoenix Iron Company, of Pittsburgh. The contract called for the completion of the bridge by the 1st of November.

Work on the bridge over the Pee Dee swamp has been awarded to Williams & Truly, of West Virginia, and the entire grading of the line from Sumter to Bennettsville to Messrs. Priggs & Co. The contractor here, has, been, commenced the grading of the line from Bennettsville. The rails for the road are on the way. Mr. Howlett said the work on the line would be pushed as rapidly as possible, and the entire line from Bennettsville to Preghall's, it is hoped by the management of the road, will soon be in operation, possibly by the first of the year. News and Courier, June 27.

Winthrop Training School Examination.

There is only one applicant Miss Beck Green, of the Winthrop Training School, who has applied for the examination for which is being held to-day. The girls of Sumter county are neglecting, on this occasion, a valuable opportunity. To be a graduate of the Winthrop Training School is a recommendation a young woman can have when applying for a position as teacher. Heretofore the young ladies from this county have maintained a high record.
