#### The Watchman and Southron.

WEDNESDAY, FEBRUARY 18.

Mayesville, on Saturday, last.

morning, after two weeks sickness. Miss

Johnson has lived in Mayesville, and con-

years. She was much esteemed by all who

near Stateburg last Monday morning shortly

Hon. J. N. Frierson, and was well known

Religious.

Miss Alberta Gallatin.

ence, who had hitherto never sufficiently ap-

preciated the beroine of this celebrated

comedy. In the character of Ganguiede, she

shine in the shady places of the "forest of

Ardenne." It was hard to realize as she

appeared before us, "full of life, happiness

and joy," in all the charming situations of the play, that it was only a day or two be-fore that she had been visited by LaGrippe.

Mr. Clarke makes the best Orlando we ever

saw and Miss Rachelle Ranard was a perfectly

harming Celia. The support throughout was

troupe so well sustained and of so high an

given in Matinee the next day and largely

attended. In Romeo and Juliet, Friday

night Miss Gallatin, as Juliet, and Mr. Clarke,

as Romeo, well sustained the reputation of the

The gutter is of the season, on Thursday evening, when covered by castings, so that it is a continuashe appeared as Rosalind in "As You Like tion of the sidewalk, in place of stepping It," supported by Mr. Creston Clarke as Orlando. Her conception and presentation and which, really, are only traps for both of the character of Rosalind was highly pedestrians and vehicles. successful and enlightened many in the audi-

Our street paving here is paid, one-third by the town and one-third each by the property wners on each side. We are now paving the street where the street railway runs, and as the railway com pany pave their track and two feet on each side, the expense to the town and property owners is not very much. Preparing the roadbed for the brick is a large part of the expense here, which, with your sandy soil would cost you very little comparatively. Probably it would pay your town to send out say two men of good judgment in street matters, to investigate. It might save the unusually good and the acting of the whole City many hundreds of dollars. The brick which we are using, is made just outside of order that the absence of the Orchestra was this town, by a firm which started last year, scarcely noticed. The Hunch Back was they have found a clay which is far superior to any used by the other brick kilns herefor paving purposes—and they are shipping a great many as far as Baltimore and Phil adelphia. They are made from a species of previous evening. The balcony scene was as fire clay, very hard burned, and will, I have no doubt, stand three or four times the wear that the hardest red brick would, as they are
