Davis, the accomplished and conscientious teachers of the graded school, have recovered from their recent indisposition. Misses Rosa Stinson, Hannah Manne and Malke Manheim, of St. Joseph's Academy, left on last Friday evening for their home in Georgetown, where they will spend two weeks. Messrs. Frank M. Spann and W. R. Delgar, Jr., attended the wedding of Miss Marie Calhoun to Mr. R. H. Baker, in Abbeville, last week. Mr. Spann acted as first groom, and the happy occasion.

Married. The marriage of Miss Marie Calhoun to Mr. R. H. Baker, both former residents of this city, was celebrated with interest by their large circle of friends here. The following account was sent to the World. "ABBEVILLE, April 15.—This morning at 10 o'clock Miss Marie Calhoun, of this place, and Mr. R. H. Baker, of Sumter, were solemnly married at the Episcopal Church, Rev. M. H. Hanchel performed the ceremony. Our young friend Mr. F. M. Spann had the honor of being "best man," and Mr. W. R. Delgar, Jr., was one of the groomsmen. The happy pair had the pleasure of "standing" with Miss R. H. Hanchel as bridesmaid. On Wednesday evening the bridal party passed through Sumter on their way to Dragoon, where they will be domiciled for the present. A number of their friends were at the station to see them pass through; and many congratulations were received by them. Miss Calhoun belongs to an old and prominent South Carolina family. The marriage of Miss Nora Brailford to Mr. John C. Gray, Jr., was solemnized at St. Marks Church, Clarendon County, on Wednesday afternoon at 6:30 o'clock, April 15th. Rev. John Kershaw was the officiating minister. The church was filled with guests from Clarendon, Kershaw and Sumter. The bride and groom were attended by quite a large number of couples. After the ceremony the wedding party was entertained at the home of the bride's father, Capt. A. M. Brailford, where a very delightful reception was given in their honor. They remained in Clarendon for two days, after which they went to the groom's home in Camden for a week, before leaving for their future home in Atlanta, Ga. Misses Caro Belser, Bessie Jervay and Kate Broughton and Messrs. Deaux Moore, Colin C. Manning, and J. K. Jurvey, were among the number who attended from Sumter.

Meeting of Hotel Stockholders. A meeting of the stockholders in the matter of the new Sumter hotel was called for 6 o'clock Monday afternoon, at City Hall. At that hour many of the old stockholders were present, and quite a number of other citizens who are deeply interested in the success of the movement. Mr. W. M. Graham was requested to act as chairman, and Mr. E. H. Rytenberg, secretary. Hon. Altamont Moses stated that the object of the meeting was to build a hotel for Sumter, and they had assembled to act upon certain propositions, one of which, made by Mrs. McGinnis, he desired to submit. Mrs. McGinnis offers her lot, at the Northwest intersection of Main and Dugan Streets, fronting 200 feet on Main Street and extending the same width and distance along Dugan Street, for the site of a hotel, and for the purpose of building a \$30,000 brick hotel on the site. She further agrees to subscribe \$1,000 in money towards the erection of the hotel, and will not object to the company raising a mortgage upon the property, in the event the necessary amount of money cannot be raised promptly. The following proposition of Gen. E. W. Moise was submitted: His bill carries to a corporation for the purpose of building a hotel, a lot on Main Street, where the Jersey House now stands, measuring on Main Street one hundred and forty feet, and two hundred feet deep, covering the front between the Jersey House and the lot now occupied by Mrs. Miller, and including the buildings on that lot, for the sum of nine thousand dollars. And if this offer is not accepted he will take four thousand dollars of stock in the hotel, and if desired he will receive the buildings from the said lot at his own cost, he taking the material in the said buildings, to pay for the cost of removal. Mr. Cohen Wilson, it will be remembered, offered his lot on Liberty Street, 100 feet by \$7,500, only \$1,500 of which he was willing to take in cash; the balance \$6,000, to be demanded in stock; Mr. Wilson also offered the same lot, but by insisting that no mortgage should be given on the property for any amount, however small, that the company might need. Mr. Wilson's proposition was considered out of the question, and the meeting proceeded to discuss the propositions of Gen. Moise and Mrs. McGinnis. After remarks by Messrs. Schwartz, O'Donnell, Rytenberg, Marquis, Altamont Moses and R. D. Lee, a motion was made by Hon. Altamont Moses, and seconded by Mr. Lee to accept Mrs. McGinnis' proposition forthwith, and open the books of subscription. It was plainly demonstrated by Messrs. R. D. Lee and Altamont Moses and others, that the proposition of Mrs. McGinnis, was the best business offer yet presented to the stockholders. The record and auction would alone pay the interest on the investment, irrespective of the rent from the hotel. If the building were put on Mr. Cohen Wilson's lot, being off from the business center, the single tier of income would be the rental from a single tenant, for the hotel. With respect to the offer of General Moise, the difficulty was that he only took \$4,000 of stock; that the lot offered by him was not a corner lot, having a frontage of only 148 feet, and being bounded in front on the north by either side, by brick stores. Mrs. McGinnis' lot, being a corner lot, having a frontage on a central portion of Main Street, of 200 feet at one hundred dollars a front foot was worth more than the Jersey House lot at sixty-five dollars a front foot, most especially when the greater part of this sixty-five dollars was to be paid in cash, and all of the hundred dollars in paper—besides Mrs. McGinnis' subscribers \$1,000 additional in cash. The following are the names of those who have subscribed:

Indisputable Facts. As our names did not appear on the list of "Merchants to close at six o'clock," (in last issue of Watchman and Southern) and not wanting the public to have the impression that we were refused to close, we offer same, viz: We did not this season and have never before closed to close our place of business at 6 o'clock P. M. When the list was being carried around for the merchants' signatures and shown us by Mr. Allan Flowers, we told him we were perfectly willing to close, but not to begin till May 15th (instead of May 1st, as last read) thinking it quite early enough, owing to our late Spring, and moreover the stores have never heretofore closed before the 10th of May. As for compulsion and liberal hours accorded our salemen we leave them to testify. We are from May 1st, at six o'clock) Our dress-making department will not close until May 15th, being impossible owing to rush of work and promised suits between now and store time. SCHWARTZ BROS.

THEY SIT WELL.

You all know the man whose trousers look as though they had been made for somebody else. He isn't altogether to blame for it. The probabilities are that he spent as much for them as would have purchased a perfect fit. The chances are that he couldn't tell you just what's the matter with them—all he knows is: that there is something wrong. It's all a question of cut, and if the cutter doesn't know his business it's a moral certainty that he will spoil the best material that ever left a factory. There is nothing the matter with our cut and you'll find out just what we mean if you invest in a pair of our Perfect-Fitting Pants, Over one hundred styles to select from. For two dollars you can get a neat, serviceable pair. The ones marked \$3, \$4, \$5, \$6 & \$7, Would cost you from two to four dollars more made to order. We can fit almost any shaped man in the State. We carry a large line of knee and long pants for boys: Knee From 15c. to \$1.50 Per pair. The ones at 15c. are hardly worth carrying out of the store, but the ones At 50c. 75c. and \$1.00, We are confident will give entire satisfaction. Long pants for boys From 60c. to \$4.00. CALL AND MAKE A SELECTION. Respectfully, BROWN & CHANDLER, Sumter, S. C.

Child of Fortune. Maj. Haysworth is again in luck! The old time professional appearance of the law office of Messrs. Haysworth & Cooper has in some degree departed. The late table of this property and the legal dust and documents of over a quarter of a century, has been put aside and in its place a beautiful walnut rolling cylinder desk, from the Indianapolis office of the late Mr. Haysworth, has been procured on several occasions to refer to testimonials, evinced in a very handsome and happy way to the character and worth of Mr. Haysworth by those who have been benefited by many acts of kindness and service. This time Maj. Marion Moise is the donor of the desk, and he has shown his usual taste and judgment in the selection of this handsome piece of office furniture, from the stock of Messrs. Durant & Belitzer.

Medical Society. There were quite a number of physicians from the county in the city last Saturday. Later in the day they assembled at the office of the Bank of Sumter for the purpose of organizing a County Medical Association. About eighteen physicians were present. A temporary organization was effected by the election of Dr. J. J. Bossard as chairman, and Dr. S. C. Baker as secretary of the meeting. On motion a committee of three consisting of Drs. John H. Furman, J. A. Mood and Francis J. Meyers was appointed by the meeting to draft a constitution and by-laws for the government of the society, and ordered to report at a subsequent meeting, the date of which was fixed for Friday, May 8. As nothing further could be accomplished after the adjournment of a constitution, the meeting then adjourned. The meeting was a harmonious one and all present were thoroughly interested in the success of the undertaking and the benefits that will unquestionably result from such an organization of the city and county physicians. The constitution and by-laws will be adopted at the next meeting and a permanent organization effected. A reference to the constitution of the Medical Association of a few years ago will doubtless relieve the committee of some trouble in drafting the new instrument. It is to be hoped that there will be enough doctors to keep the Association from doing as was the fate of the former after a few meetings.

Base Ball. An impromptu game of base ball was played on Saturday afternoon between the Sumter and Stateburg Clubs, on the grounds of the latter, at "Rural Plains" near the Fish Road. The score, after playing nine innings, stood 25 to 1 in favor of the Sumter Club. The regular representatives are slightly disgraced by default but are still in the ring and have arranged to play another game at Sumter, shortly.

A House on the Move. The dismantling of Mr. O'Donnell's residence, preparatory to its removal is now going on. The chimneys are being taken down and a number of jack-saws, windlasses, compasses and what is known as two "dead men" are now lying in the lot next the W. & S. office. Mr. J. H. Haines, of Greenville, who is superintending the job for Mr. O'Donnell, says he will commence the stage about Saturday. It will be a novel sight to the natives of Sumter to see an eight room two story house with a spacious front piazza perambulating down Liberty Street.

Candy. Mr. Ed. F. Vetter, the well known confectioner, who has been meeting with great success in his candy business next to the office of the Watchman and Southern, by reason of the increase in his business, has elected a test and will now be able to make better candy than ever before. His cocoa-nut candy is especially good and fresh.

Ladies Memorial Association. The members of the Ladies Memorial Association will meet at City Hall on Friday last May, at 6 p. m. to make all arrangements for Memorial Day. By order of President, C. P. OSTEN, Sec.

The Masonic Temple. The directors in the Masonic Temple Company held a meeting a few days ago, and engaged Mr. A. W. Todd, architect, of Augusta, Ga., to draw the plans and make out the specifications for the temple. He has prepared to have a rough draft of the building ready by the middle of next week, and the plans will be submitted for approval by the 15th of May. It is expected that the building will be begun by June 1st, and will be completed within a few weeks.
