Election News

NEW YORK, November 4 -Ex-Pres-Ment Grever Cleveland was seen at his The residence in Madison avenue to-day. and gave his opinion of the result of

Tuesday's election as follows: put his own construction upon the result very meagre, but careful estimates give and I am not anxious to obtrude my Post, the Republican candidate for ideas, but it seems to me that some Supreme Judge, 6,000 majority over things ought to be no longer doubtful. "It seems to me, too, that the Demo-mats ought to be satisfied that stanch adherence to the principles of their party does not require abuse of those who show an inclination to help us. I very much regret the defeat of Governor Campbell. He has been a brave and honest official. This and the splendid canvass he made entitled him to

Forty-six Thousand Majority.

NEW YORK, November 5 -To-day's Herald estimates Flower's plurality over Fassett at 46,446. Sheehan's estimated plurality over Vrooman for Lieutepant Governor is 30,246. The Herald's estimate gives the Senate 17 Republicans, 15 Democrats; Assembly, 69 Republicans, 59 Democrats, or 12 Republican majority.

The Game is up in Ohio.

Hahn, of the Republican committee, for some time, and it is supposed that between 19,000 and 21,000, and that crisis. the General Assembly will have thirty-Chairman Neal, of the Democratic ity will be at least 12,000, and may good. reach 20,000, and that the Republicans will have 28 majority on joint ballot.

The feature of the result is the complete drop of the People's party. Their vote in the State will not exceed 11.500, and they claimed before the election at least 75,000. The Probibi tionists wiil lose 7,000 votes from last year's polling probably 16,000. This logs is traced to Republican counties Dr. King's New Discovery for Consumption. and partially accounts for gains in the strongholds. The total vote in the correction of the consumption. Boston, November 4.—Should the will be 5,691. In the Legislature the Republicans will have majorities in both HANDSOME CHAMBER SETS, branches probably of 4 or 5 in the Senate and about 60 in the House. The Council will stand as at present, 7 Republicans and 1 Democrat. Tariff Reform and Sound Money, Says Russell.

Boston, November 4 -- Governor Russell this morning claims his election Tea at 25c. pr. lb.? by about 6 000 lle says: "It means that Massachusetts is earnestly for tariff reform on the line of free raw material, which has been the chief issue in this State. It also means that she is firmly and aggressively for sound currency.'

The Alliance Beaten in its Stronghold.

Torska, Kan, November 4 - The power of the farmer in Kansas politics is broken for the time at least. The Alpasserday. In only one out of ten judicial districts was an Alliance candidate successful, that district comprising the counties of Kingman, Pratt and Kiowa, where the farmers elected William Mutual Life Insurance Company Bashore. That was formerly a stronghold of the Union Laborites, who joined the farmers when the latter went into politics. Besides there were two The oldest, richest and most liberal Republican candidates in the field there, which divided the Republican strength. In the nine districts remaining seven of the successful candidates are republicans, and two are Democrats. In two of the districts the Republicans and Democrats combined against the Alliance.

Democrats and Republicans alike profess to belive that the people's party in this State is out of power to stay out. There is something touching is the greeting of old party politicians who have fought each other for years.

Republicans Keep Cook County.

CHICAGO, Nov. 4.—Complete returns received from every precinct in Cook County show that the entire Republican ticket was elected yesterday. Not a man seems to be missing. The Republican candidates for county commissioners in the city district appear to have received majorities varying from 7,000 to 14,000. Eckhart, Republican candidate for drainge trustee, received 5,000 more votes than any other candilate for that office. The only Dem- My companies are as good and my rates ocrat elected was Lyman E.
