FOR CLERK OF COURT.

#### To the Democratic Voters of Sumter County: FELLOW CITIZENS-In coming before you as a candidate for your suffrage, in the coming election for the office of Clerk of Court. I come not as a stranger among strangers, but I address you as friends among whom I have lived for more than fifty years, and who have known, tried and tested me, in peace and in war; and whom I ask once more to trust me with a continuance in my present position, with the duties of which I am thoroughly acquainted.

I do not claim perfection, faults and errors I doubtless have, but I challenge any man to The Sumter Hedge Fence Co., was organized on Thursday, 26th, ult. by the eleccion of the following officers : President. J. Harvey show wherein the duties of this office have not been faithfully discharged to the satisfaction of all concerned.

Gladly would I visit you, my fellow-citizens, at your homes, and in this way face to face, answer and clear away any falseboods which industrious enemies may circulate, if my public duties would permit; but in the matter of any such adverse reports, you can feel assured that I stand ready, frankly and truly to answer any voter who will honor me with a call, and who sincerely desires, to arrive at the truth.

Fair play is all I ask, and no true man will refuse it. In dark days and in brighter ones, I have tried to be a true man, true to my country and true to you, and I still wish to Fresh serve you. I abide your decision. Respectfully, J. D.

J. D. Graham. We hereby announce T. W LEE as a candidate for Clerk of the Court, subject to the
