COL, W. P. MURPHY,

They Stood by One Another and Then Cursed Cleveland.

THE TRUE SOUTHRON, Established June, 1200

There is a chunship in the United States senate that is a closer relation than the chumship of our school bey days and almost as close as common hate. Beck and Allison were such a pair, Don' Vest and Plumb, Edmunds and Thurman, and so on. When a republican with his speech to-day and realize how rascal in the treasury department was publican senator would rush over to his In regard to Governor Tillman's democratic chum and say: "I want you is not fit for anything else, and if he is turned out I will have to support him Here is his name ; go see Manning and have him retained. It is a work of charity, and I will not forget you if the sud ever shines on my side the hedge." The democratic senator rushes down to see the list of Tillman electors in Edgefield keeps the fellow in. Then he goes back had David B. Hill been elected president voted for Boics, despite the fact that the | in 1884 he would have made as many enemies because of spoils as Mr. Cleveland made. The whole fact of the business is that post masters, United States marshals, collectors of internal revenue and some other Federal officials ought to be elected directly by the people .----Gen. Farely threw hot shot at Editor Washington Correspondent Louisville

A Bright Flash.

The election of Mr. Brayton, a He attacked Orr because he had roads had not been assessed at a higher ised to do, there is a deficit of more for this reason we have always. the polls and vote for the Tillman Jones had to hire a tug when out on cause of any party, but its members are left free to vote as their-judgment Gen. were raised. The breediest feature of the day was

when Goy. Tillman said that his admin-

say his Sumter followers did not appear

to favor it as barely a hundred hands

port.

A wooden railing had been built
