list of several hundred advances-so many that it would be a very big and very expensive piece of work to make inquiry in regard to all. But twentythree cases were just enough to challenge investigation. If a few of them could be shown to be incorrect, the already small list would be diminished so that even Republican editors would be ashamed to publish it. It was not expected by Mr. Warner, when he began the investigation, that the whole list was a fraud and that he would, in the majority of cases, get wage reducticas for his already long list. The following are the briefest possible summaries of the list, the quotations being from the American Economist's list of examples is of wages advanced under the McKinley tariff, showing increased per cent .:

ments to investigation which a more

"1. Haskell & Baker Car Company, Michigan City, Ind., 10 per cent." Wages were reduced from 121 to 25 cents per day in 1889, and restored 12; cents in May, 1890. No change since the McKinley act took effect. "2. Wosster & Stoddard, Walden, N. Y., 5 per cent."

Strike in May, 1892, caused a readjustment of wages by which some got more and others less-total effect not certein. .3. Camden Woolen Company, Cam-

den, Me., 10 per cent." Four looms got a raise because they changed to heavier work; weavers earnings were not increased. "4. Rider Engine Company, Walden,

N. Y., 5 per cent." No advances in ten years, but reductions of 10 and 121 per cent. since 1884. "5. Hawthorne Mills Company, Glennville, Conn., 15 per cent.'

One man advanced from \$1.15 to \$1.25 in July, 1892, and nearly all of the 200 employes reduced from 10 to 20 | May 31 kni e..... per cent. since 1890.

"6. Alfred Dolge, Dolgeville, N. Y., 20 per cent."

Alfred Dolge has for years had a system of encouraging employes to work for little and to expect more, by advancing the wages of twenty or twenty-five Aug. 19 35 yards bagging. 90. 3 15 cf his more industrious workmen a shilling at the end of the year. In February, 1891, forty or filty received this Sept. S 14 lbs. nails, 5c..... 1 box axle grease, 10 advance but in February, 1892, no advance whatever occurred and many employes were disappointed. Numerous reductions each year fully offset these bunched and widely heralded advances.

"7. Lake Superior Lumber Company, Oct. 24 1 suit jeans clothes.... Sault St. Marie, Mich., 15 per cent." No advance at all was made in this planing mill; report was purely for

political reasons. "S. J. C. Bass, Roxboro, N. C., 25

per cent."

The two or three employes of this grist and saw mill never got less wages than now. The report furnished amusement for neighbors.

.9. H. L. Chapman, White Pigeon, Mich., 15 per cent.'

One of the two employes here is an apprentice and had his wages advanced to 50 cents per day from 25 cents.

...10. Baltimore and Ohio Ruilroad | maintain a uniform rate of wages-with-Company, Grafton, W. Va., 20 per cent." | out regard to fluctuations in the supply

Justice Putnam expresses no opinion, not having had ime to examine into the case.

A Washington dispatch says: At a quarter of 9 o'clock Wednesday morning the special train on the Pensylvania railroad, bearing the president with his offlicted wife, his son, daughter, grandchildren and other relatives and friends who have been at Loon Lake with Mrs. Harrison during her illness, drew into the station, and the long and sad journey, which had been undertaken with some degree of trepidation was ended. It had been completed, however, without any suffering or other ill-effect to the distinguished patient. Thirty minutes later she was resting easily in her bed at the white house, her mind much relieved by reaching "home," for which she has been longing throughout the past several weeks

THE CENTRAL'S AFFAIRS

Will in all Probability be Straightened Out Satisfactorily.

A special disp tch from New York says: Important steps were taken Thursday in the direction of securing the discharge of Mercantile Trust and Dep sit Company, the Georgia Central receivers and taking up the floating debt now held by Speyer & Co. It is also like'y that the manage. the defaulted July interest be not paid to | ment of the road will change hands, President Comer stepping out and being suc-ceeded by C. H. Phin'zy, of Augusta, Ga.

Formal action in the matter was taken at a full board meeting of the Georgia Central directors held at the Fifth Avenue hotel, where a committee was appointed with full power to readjust the floating debt and secure the discharge of the receivers. A full membership of the committee could not be found, but among those on it are: E. Rollins Morse, of E. Rollins Morse & Bros, Boston; E. Dennison, of E. W. Clark & Co., Philadelphia; F. M. Colson, of Wilson, Colson & Co., Bultimore; C. H. Phinizy, of Augusta, Ga.; E. T. Woodward, president of the Hanover bank of New York, and Emanuel Lehman and H. B. Hollins,

also of New York. It was generally understood that before the committee was formally appointed that they had fully discussed the matter and all arrangements made to pay off the floating debt and chang : the management of the company.

AMPLE ASSETS. The New York Tribune, in its issue of

Friday, says: is twenty years old. He has just received "The Georgia Central management has been revolutionized in the last year. In Noletters stating that his father, King Bevember, 1891, when the Calhoun brothers were lah, has been killed in battle, and that still in the board of directors, the pressing needs of the company w re-provided for by a loan mode by a banking syndicate including speyer & Co., Kuh , Lo b & Co., L. Von Hoffman & Co., Hallgarton & Co., and others; a d

vention hing d on whether the state de mocracy would align itself with the national democracy. The morning session was occupied in effecting p-rmanent organization and rou ine work. Recess was taken till 6 p.m.

Upon reassembling the committee on platform and resolutions reported the following:

secure the names of manufacturers reporting to him the effect of the tariff on their respective industries. They also asked to see the individual returns, but Peck held to his original statement that he would show nothing but what was contained in his full annual report. The did not marry her, but her money. As

mittee left for New York without finding out anything at all. Police Justice Guttman late Friday afternoon issued warrants for the arrest of

grapher, A. Rodgers, charging him with misdemeanor in burning public records, consisting of circulars collected by him from which he prepared his report on the effect of the tariff on wages and production. The warrants were issued under the state code after the proceedings doors.

vate house where Peck and Rodgers have wise men called a meeting and decided rooms; a servant girl and Miss Schaffer, to build a monster dam, one that would clerk in the bureau of labor statistics, gave testimony. Dennison testified to the arrival there two weeks ago of twenty-five large packages. He testified that on Sunday last Rodgers told witness he wanted to have the contents of the packages burned in the house furnace that night. Dennison said that that was his night off, when Rodgers gave him \$2 to do the work. He consented and shortly after 6 o'clock that night Dennison carried the packages down to the cellar from Peck's bathroom, and starting a fire in the furnace kept feeding it steadiy until twenty minues to 3 o'clock Monday morning. They were of the same square miles in area.-St. Louis Repubcolor and size as the manufacturers' re- lic.
