It will not cure everything. It is not claimed that it will cure but one complaint, that is, dyspepsia. We cannot say that it will cure every case of dyspepsia, but it will cure a large majority of them. Such cases as are adapted to its use will derive immediate benefit. One small bottle will be sufficient to test it.

The Shaker Digestive Cordial is especially adapted for emaciated or elderly people whose food does them but little or no good because it is not digested. The Cordial contains an artificially-digested food and is a digestor of food happily combined. Read one of the little books which your druggist is now giving away and learn of this wonderful remedy.

A really palatable Castor Oil can now be had under the name of Laxol.

Presentation to Judge Fraser.

The course of Judge Fraser throughout the Convention and especially as chairman of the committee on order, showed a devotion, has been such as to meet the general commendation of every one. His services so admirably rendered are not only highly appreciated by members of the Convention, but will be by the people of the State at large. In recognition of them, his many friends in the Convention yesterday presented him with an elegant, solid silver sugar and cream set including a number of spoons.

Judge Fraser has been one of the most modest men in the Convention in so far as public speaking is concerned, but whenever he said anything or suggested any course of action it was generally adopted. The testimonial presented to him was but the universal expression of the sentiments of members of their appreciation of his worth as a member of the Convention, and his merit as a lawyer and jurist.—Columbia Register.

Nervous Prostration
Cured by Dr. Miles' Nervine.

Prolonged derangement of the nervous system not only affects the brain and mental powers, but develops disease in some of the vital organs. The most dangerous of these indirect results is when the heart is affected. This was the case of the Rev. N. F. Surface, Fawn River, Mich., who writes under date of Feb. 14, 1835:

"Fourteen years ago I had a slight stroke of paralysis. Overwork brought on nervous prostration. I was exceedingly nervous and the exertion of public speaking caused heart palpitation that threatened my life. I used two bottles of Dr. Miles' New Heart Cure for my heart trouble, and two of Dr. Miles' Restorative Nervine for my nervousness and feel better than I ever expected to feel again. I can speak for hours without tiring or having my heart flutter as it formerly did, and I have you to thank that I am alive today."

On sale by all druggists. Dr. Miles' Book on Heart and Nervous Disorders FREE by mail. Dr. Miles Medical Co., Elkhart, Ind. Dr. Miles' Remedies Restore Health.
