Teachers' Summer Schools.

County Summer Schools for Teachers will begin on July 19th and last until August 15th For Sumter the instructors appointed are : Mr. J. W. Thomson and Miss Augusta A Dunbar.

Prof. S. H. Edmands is appointed to the Abbeville school, and Profs. L. W. Dick and Hagh Haynsworth to the Aiken school.

Salem County Again.

It is high time for the preliminary steps to be taken for the establishment of Salem County. There is a great deal of work to be done. Experience has shown our people that every step must be taken with the ntmost care. There must not be the slightest flaw apywhere if Salem County is to escape the fate of Lee. The organizing committee will have to be prepared to meet any new tactics of the opposition and to do so with the ntmost promptaess.

We believe the new County will go through successfully-in fact, that the greater part of the opposition to it has died out .- Lee County Recorder.

Club Notes.

The executive committee of the club met as usual Wednesday afternoop. On account members, caused by the admission of studeat boys, who live in the city, to dances, it was decided that hereafter such admission will not be granted.

The japitor was notified to make every visitor who comes in the club rooms register in the registry book.

The committee on concerts reported that the last had been so successful that another would be arranged for, to be held probably the first week in August.

Mr Douglas China has resigned from the club.

AGAINST THE CRAZE.

It gratifies us to see some earnest, firm southern newspapers against of the dissatisfaction of a large number of militariem and imperialism raking McLaurin, the South Carolina senator who is hot for a change of gov. ernment by a change of policy. His foolish, reckless declaration in his advocacy of the republican fad of imperialism, that "the statesmen who doubts or falters is a demagogue; the Christian who doubts or faiters is a traitor to his God and his religion." is not to be overlooked by any sound democrat who believes still in a republic in which all citizens have a voice in the government. Persons troubled with diar. hoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoes, the fraquent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise nd delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The resolt has been very satisfactory and almost complete relief from the affliction." For sale by Dr. A. J. China.

Letter From Mayesville.

Mayesville, July 8 .- The Fourth passed off very quietly here. Many of the young people attended picoics at other places. There will probably be a picnic on the 11th at Foxworth's mill pond.

Crops in this section are very good considering the season. The cotton and tobacco crops are especially fine. The outlook for a large tobacco business here is good. The managers of the warehouse are getting ready for the coming season and expect a large share of the crop. Under the able management of Messrs. Hale & Clement our warehouse is becoming more popular every year. Messre. A. A. Strauss and J. E. Atkins, two of our most progressive citizens, are erecting a large mill and gin building. In the near future, it is said, they will build a cotton seed oil mill and flour mill. This would be a great enterprise for the towo.

There was a delightful sociable on Thursday at Mr. T A Mayes' in honor of Miss Gregg, of Florence. It was largely attended and much enjoyed.

Misses Ada Mayes and Mary Muldrow bave returned from a short visit at Herriott's. Messrs J A. and A. P. Burgess, of Clarendon, are visiting their sister here.

Mr. Mac Witherspoon, a popular salesman of this town, who has been quite sick is on a visit to his home below Mayesville.

Miss Edna Mayes has returned from Florence, where she has been visiting some time. Miss Annie Johnston, of Wilson, N C, has been visiting the family of Capt. J. F. Bland.

Mr. Isaac Strause, of Sumter, is in town. Miss Clarkson, who has been attending college, returned home yesterday.

There is a little story going the rounds regarding the reward given the soldiers. It is said that in battie the privates occupy the firing line, the corporals are one yard in the rear of the privates, the sergeants are five yards in the rear of the corporais, the lieutenants twenty-five yards in the rear of the sergeants, the captains 125 yards in the rear of the lieutenants, the majors 200 yards in the rear of the captains, the colonels 500 yards in the rear of the majors, the generals 5,000 yards in the rear of the colonels, while the commanding general is at Washington, D. C. After the battle the commanding general gets 98 per cent of the glory. the brigadier general 13 per cent, the colonel 1 per cent ; other commissioned officers get the balance, while the privates get talked about on the Fourth of July.
