DEATH.

We regret to announce the death of Wrs. Sallie Darr Jenkins, wife of Mr. W. F Jenkios, which occurred at 3 o'clock last Thursday afternoon. She was sick only a few days and her death is a great shock to her friends. The funeral was held from her late residence at 11 o'clock Friday morning, and the interment made in the cemetery.

Miss Resa Folsom, a sister of Mr. L. W. Folsom died Monday morning at the home of her brother in this city She bad been in feeble health for a long time and her death was not wholly unexpected.

The funeral was beid at the residence of Mr. L. W. Folsom yesterday afternoon at half-past three o'clock and the interment made in the Sumter cemetery.

When you need a soothing and healing antiseptic application for any purpose, use the original DeWitt's Witch Hezel Salve, a well known cure for piles and skin diseases. It heals sores without leaving a ccar. Beware of counterfeits. J S Hughson &Co

Taxpayers are paying up slowly, and Pressurer Scarborough will have a lot of delinquents on his hands unless there is a change between now and Dec. 31st.

The Band Concert.

Sumter does not appreciate a first class band as it should, for if there was present in the community the spirit of appreciation there would have been a large audience present at the concert last week instead of the comparatively small crowd. It is true that there is a certain sort of appreciation of good music but this is displayed almost exclusively during the summer months when the bend gives free open air concerts on the Graded School square. These weekly concerts were attended last summer by handreds and the equare was usually crowded. But last week the Opera House was anything but crowded, and the fact was demonstrated that while many bundreds enjoy hearing good music, The band is maintained by the individual members at an expense of a cash outlay of train for Richmond where they will spend \$700 per year and a great deal of time is given up to practice. The band is a credit to the city and if there was the proper amount of public spirit the people would respond Married at the residence of the bride's liberally on every occasion that the band mother, on Wednesday the 19th inst, at 7 gives a concert and asks the patronage of the

The coocert last week, considered from a musical and artistic point of view was a magnificent success. It was one of the best ever given in Sumter and those who were present are enthusiastic in praise of the band. The band has made such great strides toward perfection since the last concert that the programme last night was a constant source of surprise and pleasure to the audience.

The best judges of good music say the most in praise of the concert and pay the band the highest compliments. Those who were prevented from attending the concert have something to regret, those who did not go because an admission was charged should repent of their parsimony and resolve to display public spirit next time and do their share towards maintaining an organization that the city cannot afford to lose. There would be a great bue and cry and an ocean of regrets if the band should disband, but it will come to this unless the community aids the organization when opportunity offers, for the individual mambers cannot continue, unaided, paying out \$700 a year to keep up the organ-

How to Cure Croup.

Mr R Gray who lives near Amenia, Duchess county, N Y, says: Chamberlain's Cough Remedy is the best medicine I have ever used. It is a fine children's remedy for croup and never fails to cure " When given as soon as the child becomes hoarse, or even after the the attack. This should be borne in mind and a bottle of the Cough Remedy kept at hand ready for instant use as soon as these symptoms appear. For sale by Dr A J China.

It is the general impression that there is no law on the city books against the discharge of fireworks within the city limits, but the impression is wholly mistaken for there is an Blind Factory in the ordinance that has never been repealed, forbidding in explicit and sweeping terms the discharge of all and every kind of fireworks. The fact that the ordinance has never been enforced does not change the law and if the Mayor should decide to enforce it a lot of people would get into trouble.

The shooting of fire crackers and the discharge of explosive bombs on Main Street during the busy part of the day while the little less than an ontrage. Saturday morning a horse was frightened by a fire cracker and ran away on Main Street. The wagon was smashed at the corner of Dugan Street and the only remarkable thing connected with the ders. accident was that some one was not injured.

When the stomach is tired out it must have rest, but we can't live without food. Kodel Dyspepsia Cure "digests what you eat" so that you can eat all the good food you want while it is restoring the digestive organs to bealth. It is the only preparation that digests all kinds of food. JS Hughsen & Co

The "Busy Bee" Society of little girls that bas for several years made quilts for Christmas gifts to the poor, has this year made a number of articles of clothing instead, and members of the society went out Monday with chairman Parrott on his round and distributed the result of the society's years work where it was thought the different articles would be most appreciated.

George H. Broadburst's roating farce 'What Happened to Jones' comes to the Academy of Music on Thursday evening, December 27th The company is an excellent one and comprises many favorites from Broadburst farces. "Jenes" was played in New York for four months and has proved a solid success in London where it is running at the Strand Theatre. There is nothing in the world like laughter. It is moreover contagious. "The man who cannot laugh" says Carlyle; "is not fit for treasons, strategems and spoils, but his whole life is already a treason and a strategem." The beauty about "What Happened to Jones" is that it makes you laugh in spite of yourself.

Many persons have had the experience of Mr Peter Sperman, of North Strattord, N H, who says, "For years I suffered torture from chronic indigestion, but Kodol Dyspepsia Cure made a well man of me." It digests what you eat and is a certain cure for dyspepsis and every form of stouach trouble 't gives relief at once even in the worse cases, nd can't belp but do you good. JS Hugh-
