MARRIED.
 Mr. Walter Lewis, of Timmonsville, and Miss Mary Ellen Lamplery, of this city, eldest daughter of Mrs. Samuel C. Reid, were united in marriage at 5.30 o'clock Wednesday afternoon, February 5, at the First Baptist Church, Rev. C. C. Brown performing the ceremony.
 A large crowd was present to witness the ceremony, the large auditorium and Sunday School room both being filled. At the hour appointed for the marriage the first notes of Mendelssohn's Wedding March were heard, organ and violin blending in sweetest harmony. The bride and groom entered the church together, preceded by the little girls, Misses Susie Dick and Eleanor Mason, Susie Dick bearing a silver water on which was the ring and Eleanor Mason carrying a lovely bouquet of flowers.
 As the words were being said, which made the twain one, the audience was charmed with the beautiful music rendered by Miss Florence Durham, violin, accompanied by Mrs. M. L. Rodgers at the organ.
 The ushers were: Mr. R. E. Wilder, Mr. Campbell and Mr. H. V. Reid.
 The bridal couple left on the afternoon train for Charleston. They will make their home in Timmonsville.

 If Anderson can build a twelve mile sewerage system for \$40,000, why can't a system be built in Sumter for the same amount or less?

 The Mayor had a bouquet of black-berry blossoms before him Wednesday. They were gathered in Sunday night by the police who raided a house on Red and White and found the whole gang gambling. When the police demanded admission the lamp was blown out and there was a hasty exodus of men and women, who went through doors and windows with more haste than dignity. They were all rounded up, however, and were arraigned for trial on Wednesday. They had employed counsel and a jury trial was demanded, which usually consumes several times as much time as an ordinary trial. After about two hours the case was brought to a close with a verdict of not guilty.

ACCIDENTAL SHOOTING.
 Alex. Galloway Shoots Himself With a Musket.
 Aleck Galloway, colored, was killed Friday morning by the accidental discharge of a gun while cutting wood on the place of Mr. J. M. Brogdon, about seven miles from this city. Galloway had taken his gun—an old musket—with him when he went into the woods to work and had placed it on the ground near where he was cutting down a tree. Just before the tree started to fall towards the spot where he had left the gun, he ran to remove the gun, and, in doing so, in some way, discharged it. The load entered the lower part of his abdomen, tearing a great hole almost through the body. He lived only a short time, death resulting from shock and loss of blood.
 Coroner Flowers held an inquest Friday afternoon, and after hearing the testimony of three eye-witnesses, a verdict was rendered that the deceased came to his death from the accidental discharge of a gun.
 Mr. Wheeler Got Rid of His Rheumatism.

The audience was even larger than anticipated as it was feared that the extremely cold weather would deter many from attending, and the programme was so well arranged and so cleverly and artistically carried out that it was a delight to all musicians and lovers of good music.
