DEATH.

The burial was at Bishopville Saturday afternoon at 5.30 o'clock.

Death of Mrs. W. G. Kennedy.

Last Thursday night about 10 o'clock Mrs. Mary Ellen Kennedy passed away quietly, after months of intense suffering, borne with a meek and gentle spirit.

She was in her 63d year and was the youngest daughter of the late Dr. T. M. Dick. In early life she became the wife of Mr. William G. Kennedy, who preceded her to the grave nine years ago. Beautiful in person, gentle in disposition and a loving heart made her a favorite in her large circle of relatives and friends.

Sorrow was her portion often, but ever ready was she to minister to the sufferings of others, and her presence was a benediction.

Of a large circle of brothers and sisters but two are left—Mrs. A. E. Kennedy and Capt. T. H. Dick.

She leaves five children, all of this city—Mrs. A. K. Pitts, Mrs. W. A. Bowman, Mrs. W. H. Ingram and Messrs. Leonard and Paul Kennedy—and many nieces and nephews, who mourn her loss and "rise up and call her blessed."

The funeral services were held at St. Joseph's Chapel at 5.30 o'clock Friday afternoon.

Death of Mr. M. B. Lucas.

Mr. M. B. Lucas died in Florence Friday afternoon, and was buried today. Deceased was by trade a printer. For several years he was a resident of Sumter, both before and after the war. City Council Meeting Tonight.

The regular meeting of City Council will be held tonight. Among the important business to come up for consideration will be the petition of the Bell Telephone Company praying for the grant of a franchise. There are those who would like to know if all the signers of the Bell company's petition fully realize the real purport of the granting of the franchise thus sought to be obtained.

"Mysterious Thirteen."

The young ladies composing the "Mysterious Thirteen" desire it to be understood that the organization is "not dead, but sleeping." Recently the members were handsomely entertained by Miss Edna Hughson, and on Tuesday night Miss Ella DeLorme did the honors. The young ladies propose to prepare some interesting "side degrees" for the boys in the near future, faking one at a time. In fact, the "Mysterious Thirteen" will be very much in evidence in Sumter during the dull summer months.

The telephone line between this city and Columbia has at last been opened up for business by the Sumter Telephone Company, and connections will be made from today on. The toll rate for the present is 40 cents per message not exceeding three minutes, counting from the time answer is obtained from the phone desired.

The Methodist Women's Foreign Missionary Society.

The annual meeting of the South Carolina Conference Woman's Foreign Missionary Society of the M. E. Church, South, convened in annual session at the First Methodist Church, this city, at 9:30 o'clock last Saturday morning, Mrs. M. D. Wightman, of Charleston, presiding.

There were over one hundred officers, delegates and visitors in attendance.

The preliminary services of the convention were held Friday night and attracted a very large audience. Addresses of welcome were delivered by Rev. J. W. Kilgore, Rev. R. Herbert Jones and Mrs. L. I. Parrott. Mr. Jones then made an address of welcome on behalf of the local missionary society, which was responded to by Mrs. J. W. Kilgore, corresponding secretary. Addresses were then made by delegates—Mrs. Butler, Mrs. Gibson and Mrs. Bishop Wilson.

The interest in the sessions of the annual convention of the Woman's Foreign Missionary Society of the M. E. Church, South, continued unabated, and the Methodist Church was well attended at the three meetings held Sunday.

The feature of the morning service was an interesting discourse by the Rev. Mr. Leohrs, the returned missionary from China, who made a highly interesting talk about his work among the Celestials.

In the afternoon a Sunday school mass meeting was held, at which addresses were made by ladies interested in the work.

Sunday night Mrs. Bishop Wilson related some interesting stories of her missionary work in Korea. Miss Gibson, principal of the Scannitt Bible and Training School for missionaries, located in Kansas City, also made a talk, and gave an interesting account of the work done in that institution.

At Monday's meeting much routine business of the society was disposed of.

The society adjourned Tuesday and the delegates have returned to their respective homes. They all reported a pleasant and successful meeting and were enthusiastic in their praises of the many courtesies extended by the people of Sumter.

Chief Marjenhoff, of the Charleston fire department, has been heard from, and he says that the Charleston firemen are practicing for the Sumter tournament. He also inquired about a ladder contest, and stated that he has on hand a ladder that was donated by the Seagrave company to the Charleston tournament, that was to be, and if the Seagrave company will consent he will transfer it to the Sumter fire department as a prize for a ladder contest.

D. J. Chandler, the clothier, is beginning to clear out his spring clothing, and as usual has not waited until the end of the season to reduce prices. He cuts the price while light-weight goods are still seasonable and in demand. Read his advertisement and you will at once realize that exceptional bargains are to be had.

The Woodmen of the World had a big time Friday night, initiating new candidates, 109 of whom were instructed in the mysteries of Woodcraft, and out of all that number not one was hurt by the goat. In order to have as much time as possible, the Red Men were asked to hold their council at 6:15 instead of 8, which was done, and a further favor was obtained from the Sumter Club in the use of the club room to house the waiting candidates. It was decided to have a barbecue on July 4th.

Old Uncle Dick, the man who is now in the 118th year of his age, visited this office Saturday morning, to look into his mite box, and was distressed to find not a mite. He says he hopes his friends will not desert him the short time he now has to stay with them. He has no near relatives and says he depends upon what is given to him to keep soul and body together.

A picnic was given at old Providence Springs Friday by Miss Gillespie's school, which closed on Thursday. There was a dance in the afternoon in one of the summer houses at the spring, and a ball was to take place at Dalzell that night in one of the warehouse there. A few people from this city attended the picnic and report having had a splendid time.

Jews of South Carolina.

In the Jewish Comment the Rev. Barnett A. Elzas has an interesting article on the Jews of South Carolina, in which occurs the following paragraph:

"Of living South Carolina Jews I have little to say. They are mainly prominent at the bar. Worthy representatives are J. N. Nathans, Asher D. Cohen and T. M. Mordeai, of Charleston, and Gen. E. W. Moise and his son, Marion Moise, of Sumter. Morris Israel, of Charleston, the president of Beth Elohim, is generally acknowledged as an able financier."

IS YELLOW POISON

In your blood? Physicians call it Malarial Germ. It can be seen changing red blood yellow under microscope. It works day and night. First, it turns your complexion yellow. Chilly, aching sensations creep down your backbone. You feel weak and worthless.

ROBERTS' CHILL TONIC

will stop the trouble now. It enters the blood at once and drives out the yellow poison. If neglected and when Chills, Fevers, Night-Sweats and a general break-down come later on, Roberts' Tonic will cure you then—but why wait? Prevent future sickness. The manufacturers know all about this yellow poison and have perfected Roberts' Tonic to drive it out, nourish your system, restore appetite, purify the blood, prevent and cure Chills, Fevers and Malaria. It has cured thousands—it will cure you, or your money back. This is fair. Try it. Price, 25 cents.

A. J. CHINA, T. D. CHANDLER.

It Takes a Brainy Man

these days to earn enough money to buy a house. Such a man will at once see the folly of buying a thin mixed paint, for he is paying over \$1 per gallon for a lot of linseed oil put in a can and labelled paint. Longman & Martinez Paint is a semi-paste and you mix a gallon of oil with every gallon of the paint.
