

We Have Received for this Sale--

Immense Shipments Embroideries and Laces at One-Third Their Value.

Laces.

This is the year which will long be remembered among the ladies as the "Lace Year." Nearly all the costumes for this season are elaborately trimmed with laces. Demand has never been so heavy for laces before, and values offered in this sale will be picked up during the first few days of the sale. The early selection will secure better styles to select from.

Corsets.

We want to call attention to a particular lot of corsets that we are expecting to close out during the first few days of this sale.

Broken lots they are, but nearly all sizes and prices will be found therein from 75c to \$1.00.
