

ENDOWMENT FOR COLLEGE.

Alumni of South Carolina College Start Movement to Raise \$100,000.

Columbia, Jan. 11.—The alumni of the South Carolina college have decided to inaugurate a campaign to raise an endowment fund of \$100,000. At a rousing meeting of the association yesterday afternoon, a very good start was made. The class of 1885 gave \$1,000 and others contributed liberally. There is now a fund of \$10,000 raised after earnest effort.

South Carolina college depends upon the all too meagre appropriation made by the legislature, about \$30,000 a year, while denominational schools in this state and state colleges in other states have large endowments and bequests.

In the chapel of the South Carolina college at 4 o'clock yesterday afternoon was held this enthusiastic meeting of the alumni association. The hall was well filled with representative men of the state who formerly attended the institution now beginning its second century of achievement.

The meeting was called to order by the president of the association, Mr. Edwin G. Siebels. Mr. August Kohn, the treasurer, then gave account of the funds subscribed at the last meeting and added that at present there are 10 young men at the college who are receiving assistance from the association. These young men have given notes to bear interest one year after graduation or after severing connection with the institution.

At the conclusion of this report, President Siebels admitted that for many years he had been indifferent to the interest of his alma mater and not until he had attended a celebration of a northern university and seen the enthusiasm there had he truly realized the debt due by him to the institution from which he had received his diploma. He had come home resolved that henceforth his interest in the college would be uppermost in his mind.

Mr. Siebels said that it was the earnest desire of the alumni association to raise an endowment fund of \$100,000 and in his opinion it could be done in five years. Then would the association be in a position to endow a chair and perpetuate itself. He then called attention to the fact that should this sum be contributed, then would the college be in a position to cease begging and could demand what is needful for the education of young men and women.

"Already," said Mr. Siebels, "the association has a nucleus of almost \$10,000 and it is a well known principle of business that the first \$10,000 is the most difficult to obtain; after that the way is smooth." Mr. Siebels suggested to any alumnus who desired to subscribe that now was the most fitting opportunity. Be the sum large or small it would be gratefully received.

At this point Mr. R. P. Hamer, Jr., a loyal alumnus and a trustee, obtained recognition from the chair and stated that he had a motion to place before the assembly for consideration. Mr. Hamer then introduced the following resolution:

"That should any class contribute the amount of \$1,000 for the establishment of a class scholarship the alumni association would pay the difference required to support that scholarship; provided, that at the end of 5 years the class shall subscribe another \$1,000 and at the end of 10 years another \$1,000, which sum at a reasonable interest will be sufficient to support that scholarship."

The resolution was then adopted without a dissenting vote.

"Then," said Mr. Hamer, "I wish to announce that the class of 1885 wishes to subscribe \$1,000 for this scholarship."

Mr. Hamer then took his seat amid deafening applause and the assemblage caught the inspiration and the enthusiasm of the members of the class of 1885.

At this juncture the president announced that the term of the trustee who was elected at the last meeting had expired and that election was necessary to fill the vacancy.

Mr. Melver Williamson of Darlington, the incumbent, was nominated and unanimously reelected.

Mr. P. A. Wilcox of the class of '87 then led the movement in personal subscriptions. He stated that hitherto he had not contributed to the fund and would like to announce that he would give \$500 towards the endowment fund.

Hon. A. T. Smythe, of Charleston, contributed \$100 a year for five years.

Mr. Henry Mullins, of Marion, said that he would like the privilege of increasing his former contribution to \$500.

Hon. James A. McCullough, of '87, of Greenville, raised his donation to \$500.

Mr. R. P. Hamer, Jr., then moved that a committee of three be appointed to design a button to be worn by the alumni of the college at all public functions and also to provide a safeguard against the insignia being worn by persons not entitled thereto.—The State.
